Boise Cascade Corporation, Paper Division, Vancouver, WA; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of January 23, 1997, a company official requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance for workers of the subject firm. The denial notice was signed on December 6, 1996, and published in the Federal Register on December 24, 1996 (61 FR 67858).

The petitioner presents evidence that the Department's investigation was incomplete.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 4th day of February 1997.

Russell T. Kile,
Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

The petitioners or any other persons showing a substantial interest in the subject matter of the investigations may request a public hearing with the Program Manager of OTAA at the U.S. Department of Labor (DOL) in Washington, D.C. provided such request is filed in writing with the Program Manager of OTAA not later than February 24, 1997.
