**[Docket No. 96-25]****Barbara H. Briner, M.D.; Denial of Application**

On March 19, 1996, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA) issued an Order to Show Cause to Barbara H. Briner, M.D., (Respondent), of Humble and Houston, Texas, notifying her of an opportunity to show cause as to why DEA should not deny her application for a DEA Certificate of Registration as a practitioner under 21 U.S.C. 823(f). The Order to Show Cause alleged, in substance, that (1) Respondent's Texas Department of Public Safety (DPS) controlled substance registration expired on March 31, 1995, and has not been renewed; and (2) by order dated June 28, 1995, the Texas State Board of Medical Examiners (Board) placed Respondent on probation for five years and prohibited Respondent from prescribing, administering or dispensing any controlled substances.

On April 5, 1996, Respondent filed a timely request for a hearing, and the matter was docketed before Administrative Law Judge Mary Ellen Bittner. On April 17, 1996, Judge Bittner issued an Order for Prehearing Statements. On April 23, 1996, in lieu of filing such a statement, the Government filed a motion for summary disposition, which noted that while Respondent's DPS registration had expired on March 31, 1995, it was subsequently renewed on February 20, 1996. It further alleged however, that Respondent was not currently authorized to handle controlled substances in the State of Texas in light of Respondent's Agreed Order with the Board effective June 28, 1995. Respondent did not submit a response to the Government's motion.

On June 14, 1996, Judge Bittner issued a ruling denying the Government's motion, finding that it was unclear whether the Agreed Order prohibited Respondent from handling controlled substances at all or whether it merely restricted Respondent's handling of controlled substances if both DEA and DPS issue her controlled substance registrations. The Judge's ruling did not preclude the Government from renewing its motion for summary
