Underground Injection Control Program; Hazardous Waste Injection Restrictions; Petition for Exemption—Class I Hazardous Waste Injection—Diamond Shamrock Refining Company, L.P. (Diamond)

AGENCY: Environmental Protection Agency.

ACTION: Notice of final decision on petition.

SUMMARY: Notice is hereby given that an exemption to the land disposal restrictions under the 1984 Hazardous and Solid Waste Amendments to the Resource Conservation and Recovery Act has been granted to Diamond, for the Class I injection wells located at Sun Ray, Texas. As required by 40 CFR part 148, the company has adequately demonstrated to the satisfaction of the Environmental Protection Agency by petition and supporting documentation that, to a reasonable degree of certainty, there will be no migration of hazardous constituents from the injection zone for as long as the waste remains hazardous. This final decision allows Diamond, to inject specific restricted hazardous wastes identified in the exemption, into the Class I hazardous waste injection wells at the Sun Ray, Texas facility, for as long as the basis for granting an approval of this exemption remains valid, under provisions of 40 CFR 148.24. As required by 40 CFR 124.10, a public notice was issued December 2, 1996. The public comment period ended on January 21, 1997. No comments were received. This decision

constitutes final Agency action and there is no administrative appeal.

DATES: This action is effective as of February 6, 1997.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Being Reviewed by the Federal Communications Commission

February 10, 1997.

SUMMARY: The Federal Communications Commissions, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarify of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments April 15, 1997.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

Form Number: FCC Form 159/159-C.

Respondents: Businesses or other for-profit; individuals or households; small business or organizations.

Number of Respondents: 213,500.

Estimated time per response: 15 minutes

This form is the Commission's remittance advice and is to accompany any payment submitted with it. The purpose of the form is to provide the identity of the payor, the amount being paid, and the reason the payment is being made.

Specific identification of the payor, such as call sign, or the bill that was rendered, such as invoice number, is also required. This information facilitates the efficient and accurate processing of the Commission's collections by its designated entities, such as a lockbox bank. In Public Law 104-134, Chapter 10, Section 31001, signed April, 1966, the head of each Federal agency must require each person doing business with that agency to furnish to it such person's taxpayer identifying number. Effective July, 1996 the U.S. Treasury will "flag" (and notify the Commission) and all payment requests to anyone doing business with the U.S. Government, if their taxpayer identifying number has not been furnished. The information will be used by the FCC and the U.S. Treasury for purposes of collecting and reporting on any delinquent amounts arising out of such person's relationship with the Government. For businesses, the taxpayer identifying number is its Internal Revenue Service-issued employer identification number. This number is currently used by the FCC as the business' account number for identification purposes only. Obtaining a social security number from an individual is a new requirement imposed on all Federal agencies.

Federal Communications Commission.

Acting Secretary.
