### Office of Public Health and Science; Notice of Partnership Initiative

Pursuant to Title XVII of the Public Health Service Act, notice is hereby given that the Office of Disease Prevention and Health Promotion, Office of Public Health and Science, is seeking partnerships with non-Federal organizations to promote, distribute and encourage the implementation of "Put Prevention into Practice." "Put Prevention into Practice" is a system-based approach to implementing the recommendations of the United States Preventive Services Task Force, targeting patients, clinicians, and medical offices. The goal is to increase the impact of "Put Prevention into Practice" by forming partnerships with private sector organizations. These cooperative efforts are intended to bring the resources of several partners to bear on the implementation of clinical preventive services guidelines and on the efforts to increase the delivery of appropriate clinical preventive services, efforts that are too complex for any one organization to handle alone. Organizations with particular experience, expertise or interest in the development, marketing and distribution of prevention-related materials to the general public, professional organizations and managed care organizations will be well-aligned with current and planned initiatives of "Put Prevention into Practice" activities.

Note: Partnerships between ODPHP and outside organizations will be formalized

through Memorandum of Agreements and will not involve grants or contracts.

Date of Effectiveness: February 19, 1997.

For more information, please contact Rika Maeshiro, M.D., M.P.H., Senior Clinical Affairs Advisor, Office of Disease Prevention and Health Promotion, Office of Public Health and Science, at 202-690-7943.

Dated: February 10, 1997.

### SUPPLEMENTARY INFORMATION:

#### I. Abstract

The information collection is needed to establish whether an applicant is eligible to receive services under the Housing Improvement Program (HIP) and to establish the priority order in which eligible applicants may receive services under the program.

#### II. Method of Collection

The housing regulations at 25 CFR Part 256 contain the program eligibility and selection criteria (§ 256.6, .7) which prospective applicants seeking program services must demonstrate that they meet. Information collected from applicants under these regulations provides eligibility and selection data used by the local servicing housing office to establish whether an applicant is eligible to receive services under the program and in what priority order the applicants are eligible to receive services. The local servicing housing office may be a tribal housing office under a Public Law 93-638, Indian Self-Determination contract or a Self-Governance annual funding agreement, or the Bureau of Indian Affairs. Additionally, the data is used by the Assistant Secretary—Indian Affairs to establish whether a request for waiver of a specific housing regulation is in the best interest of the applicant and the Federal government.
