

designed to provide that the requirements of the application will be met. In addition, the Board will evaluate each Joint Account arrangement annually and will authorize continued participation in such Joint Account only if it determines that there is a reasonable likelihood that such continued participation will benefit each Series and its shareholders.

9. Each Series' investment in a Joint Account will be documented daily on the books of the Series and the books of the Custodian.

10. Short-Term Investments held in a Joint Account generally will not be sold prior to maturity unless: (a) The Adviser believes that the investment no longer presents minimal credit risks; (b) the investment no longer satisfies the investment criteria of the Series because of a credit downgrading or otherwise; or (c) in the case of a repurchase agreement, the counterparty defaults. The Adviser may, however, sell any Short-Term Investment (or any fractional portion thereof) on behalf of some or all Series prior to maturity of the investment if the cost of such transactions will be borne solely by the selling Series, and the transaction will not adversely affect the other Series. Each Series will be deemed to have consented to such sale and partition of the investments in the Joint Account.

11. Short-Term Investments held through a Joint Account with a remaining maturity of more than seven days will be considered illiquid and subject to the restriction that the Series may not invest more than 15% (or such other percentage as set forth by the SEC from time to time) of its assets in illiquid securities, if the Series cannot sell its fractional interest in the investment in such Joint Account pursuant to the requirements described in the preceding condition.

12. All joint repurchase transactions will be effected in accordance with Investment Company Act Release No. 13005 (February 2, 1983) and with other existing and future positions taken by the SEC or its staff by rule, interpretive release, no-action letter, any release adopting any new rule, or any release adopting any amendments to any existing rule.

13. Any investment made through a Joint Account will satisfy the investment policies or criteria of all Series participating in that investment.

For the SEC, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,
Deputy Secretary.
