**SUPPLEMENTARY INFORMATION:**

#### Background

On November 7, 1996, ATF published a Notice of Petition in the Federal Register at 61 FR 57597 which outlined the proposals made in a petition submitted by Heublein, Inc. Heublein's petition seeks changes in regulations

relating to the labeling and advertising of malt beverages which would prohibit the use of "Pina Colada," "Daiquiri," "Margarita," and similar terms in the labeling of malt beverage products. Heublein's petition also seeks to amend regulations relating to the labeling and advertising of distilled spirits to prohibit the term "Margarita" from being used in the labeling of any product unless that product is made with Tequila.

The comment period for Notice No. 844 was scheduled to close on February 5, 1997. Prior to the close of the Comment Period, ATF received a request from the National Association of Beverage Importers, Inc. (NABI), a trade association representing importers of alcoholic beverages, to extend the comment period for 30 days. In requesting the extended comment period, NABI stated that the petition had raised considerable controversy within the industry, and that its members required additional time to reach a position on the issues raised by the petition.

In consideration of this request, ATF finds that a reopening of the comment period is warranted. Thus, the comment period is being reopened for a period of 30 additional days until March 7, 1997.

#### Disclosure

Copies of Heublein's petition and written comments received in response to the petition and to Notice No. 844 will be available for public inspection during normal business hours at: ATF Reading Room, Disclosure Branch, Room 6300, 650 Massachusetts Avenue NW, Washington, DC.
