

**[Docket 58-95]****Foreign-Trade Zone 35; Philadelphia, PA; Amended Application for Subzone; Tosco Corporation (Oil Refinery Complex); Delaware County, PA**

Notice is hereby given that the application of the Philadelphia Regional Port Authority, grantee of FTZ 35, requesting special-purpose subzone status for the oil refinery complex of Tosco Corporation (Tosco), in Delaware County, PA (Doc. 58-95, 60 FR 53164, 10/12/95) has been amended to reflect certain changes to the refinery's operations subsequent to its purchase by Tosco from BP Exploration & Oil Inc.

Upon taking over the refinery on February 2, 1996, Tosco requested that the processing of the pending subzone application be put on hold until further notice. Tosco now has requested that the processing of the application, as amended, be resumed. It plans to restart refinery operations on May 1, 1997.

The refinery (185,000 barrels per day, 360 employees) will be used to produce fuels and petrochemical feedstocks. Fuels produced include gasoline, jet fuel, distillates, residual fuels, and naphthas. Petrochemical feedstocks and refinery by-products may include methane, ethane, butane, propane, toluene, benzene, xylene, petroleum coke, asphalt and carbon black. LPG (liquified petroleum gas) recovery facilities and two 15,000 barrel tanks have been added enabling all the LPG produced in the refinery to be recovered and sold.

The application remains otherwise unchanged.

The comment period is reopened until March 24, 1997.

Copies of the application and the amendment are available for public inspection at each of the following locations:

**[Docket 4-97]****Foreign-Trade Zone 84—Houston, Texas Area Application for Expansion of Subzone 84L California Microwave—Microwave Network Systems, Inc.; Stafford, Texas**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Port of Houston Authority, grantee of FTZ 84, requesting authority to relocate Subzone 84L, authorized for California Microwave—Microwave Network Systems, Inc. (microwave telecommunications products), to a larger facility in Stafford, Texas, within the Houston Customs port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on January 22, 1997.

Subzone 84L was approved on 12/28/94 (Board Order 722, 60 FR 2377, 1/9/95) for the microwave radio/telecommunications products manufacturing facility (3.5 acres, 240 persons) of Microwave Networks, Inc. (MNI), located in Harris County, Texas. Approval was subject to the restriction requiring that the company elect privileged foreign status on foreign components admitted to the subzone. MNI was acquired in 1996 by California Microwave, Inc. and now operates under the name of California Microwave—Microwave Network Systems, Inc. (CMMNS).

The zone grantee is now requesting authority on behalf of CMMNS to relocate the subzone from the currently authorized manufacturing plant to a larger manufacturing facility (16 acres, 355 employees), located at 4000 Greenbriar Drive in Stafford, Texas. The application includes a request for an expanded level of manufacturing authority but the scope of the products made under FTZ procedures will not change (microwave radios for use in cellular and other telecommunications networks). FTZ authority would remain subject to the restrictions approved in Board Order 722.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 21, 1997. Rebuttal comments in response to material

submitted during the foregoing period may be submitted during the subsequent 15-day period (to May 6, 1997).

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Department of Commerce Export Assistance Center, 500 Dallas, Suite 1160, Houston, Texas 77002  
Office of the Executive Secretary, Foreign-Trade Zones Board, Room 3716, U.S. Department of Commerce, 14th and Pennsylvania Avenue, NW, Washington, DC 20230
