FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Being Reviewed by the Federal Communications Commission

February 19, 1997.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments April 28, 1997.

ADDRESSES: Direct all comments to Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., N.W., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-XXXX.
Title: Marketing of RF Devices Prior to Equipment Authorization (Section 2.803).

Form No.: None.

Type of Review: New Collection.
Respondents: Business/For Profit Institutions.

Number of Respondents: 6,000.

Estimated time per response: .5.

Total annual burden: 3,000.

Needs and Uses: FCC rules permit the display and advertising of radio frequency devices prior to equipment authorization or a determination of compliance with the rules, providing that the advertising or display contains a conspicuous notice as specified by the rules. The notice that must be displayed is defined in Section 2.803(c). A notice that applies specifically to prototype equipment is defined in Section 2.803(c)(1). In addition, as defined in Section 2.803(c)(2) any RF device that is offered for sale to specific entities defined in the rule part, prior to equipment authorization or a showing of compliance, must be accompanied by a written notice that the equipment is subject to the FCC rules and will comply with all FCC rules prior to delivery. The information is disclosed to third parties to ensure that they are fully aware of the FCC's requirement for the responsible party to fully comply with the Commission Rules.

Federal Communications Commission.

William F. Caton,

Acting Secretary.

Notice of Public Information Collections Being Reviewed by FCC For Extension Under Delegated Authority 5 CFR 1320 Authority, Comments Requested

February 19, 1997.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility;

(b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

The FCC is reviewing the following information collection requirements for possible 3-year extension under delegated authority 5 CFR 1320, authority delegated to the Commission by the Office of Management and Budget (OMB).

DATES: Written comments should be submitted on or before April 28, 1997. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., N.W., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0017.

Title: Application for a Low Power TV, TV Translator or TV Booster Station License.

Form Number: FCC 347.

Type of Review: Extension of currently approved collection.

Respondents: Businesses or other for-profit, state, local or tribal government.

Number of Respondents: 400.

Estimated time per response: 2.5 hours.

Total annual burden: 1000 hours.

Needs and Uses: FCC Form 347 is required to be filed when applying for a Low Power Television, TV Translator or TV Booster Station License. This form will be revised to add the new requirements regarding antenna tower registration. This unique antenna registration number identifies an antenna structure and must be used on all filings related to the antenna structure. Several questions will be added to the engineering portion of the FCC 350 to collect this information. This requirement was approved by OMB under control number 3060-0714. The data is used by FCC staff to confirm that the station has been built to terms specified in the outstanding
