Endangered and Threatened Species Permit Application

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of application.

The following applicant has applied for a permit to conduct certain activities with endangered species. This notice is provided pursuant to section 10(c) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531, *et seq.*).

PRT-825384

Applicant: Wisconsin Department of Natural Resources, Madison, Wisconsin.

The applicant requests a permit to take Karner Blue Butterflies (*Lycaeides melissa samuelis*) on lands owned and/or managed by the Wisconsin Department of Natural Resources. Take

will involve land use and land management practices to create and protect suitable butterfly habitat. Habitat management involves various forms of disturbance which may injure or kill individual butterflies, but maintains habitat upon which the species depends. In addition to land management and disturbance, the applicant proposes to implement biological monitoring of habitats and populations, including, but not limited to, biological surveys and research activities to begin implementation of recovery goals for the species. Activities are proposed for the purpose of survival and enhancement of the species in the wild.
