

TA-W-32, 238, Vishay-Sprague Incorporated Sanford, Maine; Including Leased Workers of Manpower Technical Portland, Maine; and Leased Workers of Manpower Springvale, Maine; Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 15, 1996, applicable to all workers of Vishay-Sprague Incorporated located in Sanford, Main. The notice was published in the Federal Register on June 6, 1996 (61 FR 28900).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the State shows that some employees of Manpower Technical, Portland, Maine and Manpower, Springvale, Maine were engaged in employment related to the production of solid tantalum capacitors produced by Vishay-Sprague in Sanford, Maine. Worker separations occurred at Manpower Technical and Manpower as a result of worker separations at Vishay-Sprague.

Based on these findings, the Department is amending the certification to include workers of Manpower Technical, Portland, Maine and Manpower, Springvale, Maine leased to Vishay-Sprague. The intent of the Department's certification is to include all workers of Vishay-Sprague adversely affected by imports.

The amended notice applicable to TA-W-32, 238 is hereby issued as follows:

All workers of Vishay-Sprague Incorporated, Sanford, Maine engaged in employment related to the production of solid tantalum capacitors; and leased workers of Manpower Technical, Portland, Maine and Manpower, Springvale, Maine engaged in employment related to the production of solid tantalum capacitors for Vishay-Sprague Incorporated, Sanford, Maine, who became totally or partially separated from employment on or after April 3, 1995, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 6th day of February 1997.

Russell T. Kile,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

Notice of Agency Report Forms Under OMB Review

SUMMARY: Under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35), agencies are required to submit proposed information collection requests to OMB for review and approval, and to publish a notice in the Federal Register notifying the public that the agency has made submission. Accordingly, this notice announces NASA's plans to request data from grant and agreement recipients regarding the manner in which services are or will be provided by the program, the population eligible to be served by race, color, national origin, sex, disability and age, data regarding covered employment including use of bilingual public contact employees where necessary to permit effective participation by beneficiaries unable to speak or understand English, the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination, the present or proposed membership by race, color, national origin, sex, disability and age in any planning or advisory body which is an integral part of the program, and, where relocation is involved, the requirements and steps used or proposed to guard against impact on persons on the basis of race, color, national origin, disability, sex or age. This information is critical to the assessment of recipient compliance with civil right laws and NASA regulations prohibiting discrimination on the basis of race, color, national origin, disability, sex, and age in Federally assisted programs.

DATES: Written comments and recommendations on the proposal for the collection of information should be received on or before April 28, 1997.

ADDRESSES: All comments should be addressed to Mr. James A. Westbrook, Office of Equal Opportunity Programs, Code EI, National Aeronautics and Space Administration, Washington, DC 20546-0001. All comments will become a matter of public record and will be summarized in NASA's request for OMB approval.

FOR FURTHER INFORMATION CONTACT: Dr. Marie K. Tynan, Office of the Chief Information Officer, (202) 358-1371.

Reports: NASA Form 1206.

Title: Assurance of Compliance with the National Aeronautics and Space Administration Regulations Pursuant to Nondiscrimination in Federally Assisted Programs.

OMB Number: None Assigned.

Type of Review: New Collection.

Need and Uses: NASA grant and agreement recipients will be asked to provide the requested data prior to receiving funds or any other form of Federal assistance on any new grant or agreement. This information is critical to NASA's ability to evaluate compliance by recipients of Federal assistance with NASA regulations and with NASA's ability to meet Justice Department requirements under Executive Order 12250.

Affected Public: Non-profit, businesses or other for-profit and Educational Institutions.

Estimated Number of Respondents: 814.
