

containers, spare and repair parts, support equipment, publications, U.S. Government and contractor technical assistance and other related elements of logistics support. The estimated cost is \$95 million.

This sale is consistent with United States law and policy, as expressed in Public Law 96-8.

The recipient will use these missiles to maintain an anti-surface warfare capability on its 1052 KNOX class ships leased from the U.S. Navy. The recipient will have no difficulty using this equipment.

The sale of this equipment and support will not affect the basic military balance in the region.

The prime contractor will be McDonnell Douglas Aerospace, St. Louis, Missouri. There are no offset agreements proposed to be entered into in connection with this potential sale.

Implementation of this sale will not require the assignment of any additional U.S. Government personnel or contractor representatives in-country.

There will be no adverse impact on U.S. defense readiness as a result of this sale.

Transmittal No. 97-09

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act

Annex—Item No. vi

(vi) *Sensitivity of Technology:*

1. The HARPOON missile contains sensitive technology and has the following classified components, including applicable technical and equipment documentation and manuals:

- a. Guidance Section Components
- b. Missile Characteristics and Performance Data

2. If a technologically advanced adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures or equivalent systems which might reduce weapon system effectiveness or be used in the development of a system with similar or advanced capabilities.

3. This sale is necessary in furtherance of the U.S. foreign policy and national security objectives outlined in the Policy Justification. Moreover, the benefits to be derived from this sale, as outlined in the Policy Justification, outweigh the potential damage that could result if the sensitive technology were revealed to unauthorized persons.

### Notice of Closed Meeting of the Board of Visitors to the United States Naval Academy

**SUMMARY:** Pursuant to the provisions of the Federal Advisory Committee Act (5 U.S.C. App.2), notice is hereby given that a special committee of the Board of Visitors to the United States Naval Academy will meet on February 27, 1997, at the United States Naval Academy, Annapolis, MD, at 8:30 a.m. This meeting will be closed to the public.

The purpose of the meeting is to make such inquiry as the Board shall deem necessary into the state of morale and discipline, the curriculum, instruction, physical equipment, fiscal affairs, and academic methods of the Naval Academy. During this meeting inquiries will relate to the internal personnel rules and practices of the Academy, may involve ongoing criminal investigations, and include discussions of personal information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Accordingly, the Under Secretary of the Navy has determined in writing that the special committee meeting shall be closed to the public because the meeting will be concerned with matters outlined in section 552(b)(2), (5), (6), and (7) of title 5, United States Code. Due to a delay in Administrative Processing the normal 15 days notice requirement could not be met.

**FOR FURTHER INFORMATION CONCERNING THIS MEETING CONTACT:** Lieutenant
