## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket No. ER96–3105–000]

#### Boston Edison Company; Notice of Filing

February 24, 1997.

Take notice that on January 6, 1997, Boston Edison Company tendered for filing an amendment in the above-referenced docket.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before March 3, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the

Commission and are available for public inspection.

Lois D. Cashell,  
*Secretary.*

[Docket No. ES97–23–000]

#### Constellation Energy Corporation; Notice of Application

February 24, 1997.

Take notice that on February 14, 1997, Constellation Energy Corporation filed an application, under § 204 of the Federal Power Act, seeking the following authorizations in connection with the proposed merger for which authority is being sought separately in Docket No. EC96–10–000:

(1) To issue short-term unsecured promissory notes, commercial paper notes, and/or medium-term notes, from time to time, in an aggregate principal amount of not more than \$1 billion outstanding at any one time, on or before December 31, 1998 with maturities not more than 12 months after the date of issuance; and

(2) To assume existing short-term debt obligations of Baltimore Gas and Electric Company and Potomac Electric Power Company.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426 in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before March 13, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. QF81–7–005]

#### ESI Calistoga GP, Inc. and Caithness Geysers, Inc.; Notice of Amendment to Filing

February 24, 1997.

On February 21, 1997, ESI Calistoga GP, Inc. and Caithness Geysers, Inc.

tendered for filing an amendment to its January 31, 1997, filing in this docket.

The amendment pertains to the ownership aspects and steam purchase agreement of the geothermal small power production facility. No determination has been made that the submittal constitutes a complete filing.

Any person desiring to be heard or objecting to the granting of qualifying status should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with rules 211 and 214 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed by March 7, 1997, and must be served on the applicants. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a petition to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. CP97–251–000]

#### Tennessee Gas Pipeline Company; Notice of Request Under Blanket Authorization

February 24, 1997.

Take notice that on February 18, 1997, Tennessee Gas Pipeline Company, P.O. Box 2511, Houston, Texas 77252, filed in Docket No. CP97–251–000, a request pursuant to Section 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 18 CFR 157.212) for authorization to modify an existing receipt point to include delivery capabilities for Bridgeline Gas Distribution L.L.C. (Bridgeline), an interstate pipeline company, under Tennessee's blanket certificate issued in Docket No. CP82–413–000, pursuant to 18 CFR Part 157, Subpart F of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Tennessee proposes to modify an existing point located on its system at approximately Mile Post 526A–2701–0.01 in Plaquemines Parish, Louisiana, to include delivery capabilities in order to effectuate the delivery of up to 5,000 dekatherms of natural gas per day for Bridgeline. It is stated that to establish
