Emergency review and approval of this information collection is requested by March 8, 1997, and is only valid for 180 days. The Department of Justice is also using this notice to seek public comments for 60 days until May 2, 1997.

(3) enhance the quality, utility, and clarity of the information to be collected; and

(4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) Type of Information Collection: New collection.

(2) Title of the Form/Collection: Survey Protocol: COPS MORE (Making Officer Redeployment Effective) '95.

(3) Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form: COPS 18/01. Office of Community Oriented Policing Services, U.S. Department of Justice.

(4) Affected public who will be asked or required to respond, as well as a brief abstract: State, local and tribal law enforcement agencies that received a COPS MORE '95 grant and that were selected to participate in a phone survey. COPS MORE (Making Officer Redeployment Effective) '95 provided grant monies to selected law enforcement agencies that submitted grant applications requesting financial assistance for the purchase of equipment, hiring of civilians, and provision of overtime resulting in the redeployment of law enforcement officers to community oriented policing activities. The 1994 Crime Bill states that grants for equipment, technology, and support systems may not be awarded in FY 1998-2000 unless the Attorney General has certified that grants awarded in fiscal years 1995-1997 have resulted in an increase in the number of officers deployed in community policing. The survey in consideration covers all areas necessary to determine the effectiveness of COPS MORE '95 in meeting the above criteria.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: Survey Protocol: COPS MORE (making Officer Redeployment Effective) '95: Approximately 200 respondents, at 1.25 hours per response (including record-keeping).

(6) An estimate of the total public burden (in hours) associated with the collection: Approximately 250 annual burden hours.
