The DOE dismissed Applications for Refund filed by four elements of the Department of Defense (DOD). The DOE noted that the Defense Logistics Agency had already received a refund for the total DOD consumption of domestic petroleum products during the refund period.

*Ward Transport, Inc./William R. Ward, 1/23/97, RK272-04007*

William R. Ward submitted an Application for a Supplemental Refund in the crude oil refund proceeding. As the former owner of the original Applicant, Ward Transport, Inc., Mr. Ward sought supplemental refund monies due to the corporation despite the fact that he sold the entire capital stock of the firm in 1989. After reviewing the purchase agreement, the DOE determined that Mr. Ward had not retained the right to receive a refund based on the corporation's refined product purchases when he sold the capital stock. Accordingly, Mr. Ward's Application for Supplemental Refund was denied.

*Department of Veteran Affairs, 1/23/97, RR272-00111*

The DOE denied a Motion for Reconsideration filed by a group of States from a Decision and Order granting a refund to a Department of Veterans Affairs (Veterans) medical center. The DOE rejected the States' argument that Veterans' status as a Federal agency was a bar to a crude oil refund. The DOE also rejected the States' argument that the purchases specified in the Veterans' Applications had already formed the basis for an earlier refund.

*Land Paving Company, 1/21/97, RR272-00274*

DOE denied a Motion for Reconsideration of a prior crude oil refund decision. The DOE found that the refund should go to the debtor in possession of the applicant company in a pending chapter 11 bankruptcy proceeding, rather than to either the estate of the owner of the firm or to a related firm.
