DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4123-N-03]

Public Housing/Section 8 Moving to Work Demonstration Program; Extension of Application Deadline

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice.

SUMMARY: On December 18, 1996, HUD published a notice inviting public housing agencies and Indian housing authorities to submit applications for the Public and Indian Housing/Section 8 Moving to Work demonstration program ("MTW"). The December 18, 1996 notice set an application submission deadline for MTW of March 18, 1997.

This notice extends the MTW application submission deadline from March 18, 1997 to May 19, 1997. The deadline is being extended to give public housing agencies and Indian housing authorities the time necessary to adequately prepare their applications, and, in particular, to allow sufficient time for a thorough and constructive planning process, including a public hearing. This notice also provides clarification on several provisions of the December 18, 1996 notice.

Except for the extension of the application submission deadline made by this notice, and subject to the clarifications made by this notice, all of the requirements of the December 18, 1996 notice remain in effect.

EFFECTIVE DATE: March 3, 1997.

FOR FURTHER INFORMATION CONTACT: Stephen I. Holmquist, Policy Development Advisor, or Beth M. Cooper, Program Analyst, Office of Public and Indian Housing, Room 4116, Department of Housing and Urban Development, 451 7th Street, SW, Washington, DC 20410, telephone (202) 708-0713. SUPPLEMENTARY INFORMATION:

(1) General

The Public and Indian Housing/Section 8 Moving to Work demonstration program ("MTW") offers public housing agencies and Indian housing authorities (HAs) the opportunity to design and test innovative housing and self-sufficiency strategies for low-income families by permitting HAs to combine funds from

several HUD programs into a single pool and by exempting HAs from existing public and Indian housing and Section 8 certificate and voucher program rules, as approved by HUD.

HUD is authorized to select up to 30 HAs that administer the public and Indian housing and Section 8 programs to participate in MTW, which was authorized by section 204 of the Omnibus Consolidated Rescissions and Appropriations Act of 1996 (Pub. L. 104-134, 110 Stat. 1321). The statutory purposes of MTW are to give HAs the flexibility to design and test various approaches for providing and administering housing assistance that reduce cost and achieve greater cost effectiveness; provide work incentives to promote resident self-sufficiency; and increase housing choices for low-income families.

To achieve these goals, each selected HA will have considerable flexibility in determining how to use Federal funds, as long as the HA meets specified criteria. Furthermore, the selected HAs will be permitted to combine funds from the public and Indian housing operating and modernization programs, and from the Section 8 tenant-based rental assistance program, for uses which meet the purposes of the demonstration. Funds used in the demonstration (whether combined or not) are generally not subject to statutory and regulatory requirements of the public and Indian housing and Section 8 programs.

On December 18, 1996 (61 FR 66855), HUD published a notice inviting applications for MTW. That notice described the application submission requirements and the criteria to be used by HUD in evaluating applications. It also established an application submission deadline of March 18, 1997.

(2) Clarifications

Several provisions of the December 18, 1996 notice require clarification, as follows:

(a) For HA's that are not subject to PHMAP because they only administer the Section 8 program, HUD will determine the HA's score for evaluation criterion 1, "HA Management Performance", using objective criteria that assess HA management capability based on relative performance in meeting the requirements of the Section 8 program;

(b) The December 18, 1996 notice advised HAs to assume a 3-year term for their MTW plans. HUD expects that the actual term of each HA's demonstration will be stated in the MTW Agreement negotiated between HUD and the HA following the HA's selection for MTW. No MTW proposal will be implemented
