DEPARTMENT OF DEFENSE

Corps of Engineers; Department of the Army

33 CFR Part 334

Danger Zones and Restricted Areas, National Guard Training Center, Sea Girt, NJ

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Final rule.

SUMMARY: The Corps is revoking the regulations which establish a danger zone in the waters of the Atlantic Ocean at the New Jersey National Guard Training Center, Sea Girt, New Jersey. According to the State of New Jersey, the danger zone is no longer needed due to the improvements made at the small arms firing range located at Sea Girt. The danger zone was established to protect the public from the hazards associated with the possibility of an errant round or ricochet from the range impacting into the waters offshore. The revocation of the danger zone is essential to allow a beach nourishment project to proceed and formalize full public use of the water areas offshore of the National Guard Training Center. The revocation of the danger zone regulations will not affect any other Federal, State, or local regulations in that area.

EFFECTIVE DATE: March 20, 1997.

ADDRESSES: HQUSACE, CECW—OR, Washington, D.C. 20314-1000.

FOR FURTHER INFORMATION CONTACT: Mr. Ralph Eppard, Regulatory Branch, CECW—OR at (202) 761-1783, or Mr. Richard Tomer of the New York District at (212) 264-9053.

SUPPLEMENTARY INFORMATION: Pursuant to its authorities in Section 7 of the Rivers and Harbors Act of 1917 (40 Stat. 266; 33 U.S.C. 1) and Chapter XIX of the Army Appropriations Act of 1919 (40 Stat. 892; 33 U.S.C. 3), the Corps is amending the regulations in 33 CFR Part 334.90. The National Guard Training Center is located adjacent to the federally authorized share protection project identified as "Ashbury Park to Manasquan South Reach". One entire borrow area and a portion of another borrow area are that are designated to be used as a source of sand for part of the beach restoration and storm damage protection that will be provided to this area located within the limits of the danger zone. The danger zone regulations in 33 CFR 334.90 prohibits entry by vessels into the danger zone during operation of the range. The State

of New Jersey Department of Military and Veterans Affairs and the State of New Jersey Department of Environmental Protection have requested that the danger zone at the National Guard Training Center at Sea Girt, New Jersey, established by the Corps on January 10, 1969, be disestablished. According to the State, the danger zone is no longer needed to protect the public using the waters offshore of the National Guard Training Center, because of improvements previously made at the small arms firing range. Accordingly, we are hereby removing the regulations which establish the danger zone. We have determined that notice of proposed rulemaking and public procedures thereto are unnecessary since the revocation of the danger zones removes a restriction on public use of the offshore.

Procedural Requirements

A. Review Under Executive Order 12866

This rule is issued with respect to a military function of the Defense Department and the provisions of Executive Order 12866 do not apply.

B. Review Under the Regulatory Flexibility Act

These rules have been reviewed under the Regulatory Flexibility Act (Pub. L. 96-354), which requires the preparation of a regulatory flexibility analysis for any regulation that will have a significant economic impact on a substantial number of small entities (i.e., small businesses and small Governments). The Corps expects that the economic impact of the removal of the danger zone at the National Guard Training Center at Sea Girt, New Jersey would have no impact on the public, no anticipated navigational hazard or interference with existing waterway traffic and accordingly, certifies that this rule will have no significant economic impact on small entities.

C. Review Under the National Environmental Policy Act

We have concluded that this amendment to the danger zone regulations which removes a restriction on the public's use of a water area will not have a significant impact to the human environment, and preparation of an environmental impact statement is not required.

D. Unfunded Mandates Act

This rule does not impose an enforceable duty among the private sector and, therefore, is not a Federal private sector mandate and is not subject to the requirements of Section

202 of 205 of the Unfunded Mandates Act. We have also found under Section 203 of the Act, that small Governments will not be significantly and uniquely affected by this rulemaking.

E. Submission to Congress and the GAO

Pursuant to Section 801(a)(1)(A) of the Administrative Procedure Act as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, the Army has submitted a report containing this rule to the U.S. Senate, House of Representatives, and the Comptroller General of the General Accounting Office. This rule is not a major rule within the meaning of Section 804(2) of the Administrative Procedure Act, as amended.

BILLING CODE 3710-92-M

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 1

RIN 2900-AI33

Rulemaking Procedures; Public Participation

AGENCY: Department of Veterans Affairs.
ACTION: Final rule.

SUMMARY: This document amends the "General Provisions" regulations of the Department of Veterans Affairs (VA) by eliminating a policy statement concerning prior notice-and-comment for rulemaking. We believe that there is no need to retain this policy statement. Furthermore, this action is warranted to prevent confusion concerning VA policy.

EFFECTIVE DATE: April 4, 1997.

FOR FURTHER INFORMATION CONTACT: Thomas O. Gessel, Director, Office of Regulations Management (02D), Office of General Counsel, Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington, DC 20420, (202) 273-8605.

SUPPLEMENTARY INFORMATION: In a document published in the Federal Register on March 20, 1996 (61 FR 11309), we amended the "General Provisions" regulations in 38 CFR Part 1 by removing § 1.12 captioned "Public participation in regulatory development." Subsequently, judicial review was sought on the basis that the removal did not comply with notice-and-comment provisions. Accordingly, to avoid unnecessary litigation, we reestablished § 1.12 in a document published in the Federal Register on July 1, 1996 (61 FR 33850). In addition, in a companion document also published in the Federal Register on July 1, 1996 (61 FR 33878), we proposed to remove § 1.12 and requested comments on the proposal. Accordingly, this document relates to the proposal to remove § 1.12.

The comment period ended August 30, 1996. We received four comments. Three were submitted by veterans' service organizations and one was submitted by a law school professor. The commenters argued in favor of retaining § 1.12.

The provisions of the Administrative Procedure Act (APA) at 5 U.S.C. 553 set forth notice-and-comment requirements for rulemaking and include exemptions from the notice-and-comment requirements for rulemaking concerning public property, loans, grants, benefits, or contracts.

The regulatory history of § 1.12 indicates that this section was established for the purpose of adopting a recommendation of the 1969 Administrative Conference of the United States, i.e., that agencies adopt a policy stating that they would not exempt rulemaking from notice-and-comment provisions solely because the rulemaking concerned public property, loans, grants, benefits, or contracts (see 37 FR 3552, February 17, 1972; 37 FR 7157, April 11, 1972).

Subsequent to the initial promulgation of § 1.12, statutory provisions were established that specifically apply the notice-and-comment provisions of 5 U.S.C. 553 to VA rulemaking concerning loans, grants, or benefits (see 38 U.S.C. 501(d)). Also, subsequent to the initial promulgation of § 1.12, statutory provisions were established that specifically apply notice-and-comment
