Northwest Pipeline Corporation; Notice of Proposed Changes in FERC Gas Tariff

February 27, 1997.

Take notice that on February 24, 1997, Northwest Pipeline Corporation (Northwest) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheet, to become effective March 1, 1997:

Substitute Alternate First Revised Sheet No. 254

Northwest states that on January 29, 1997, Northwest submitted preferred and alternate tariff sheets to propose changes to the Facilities Reimbursement provision of Section 21 of the General Terms and Conditions of its tariff. Northwest further states that it intended for Section 21.4, Existing Facilities, to be identical on Second Revised Sheet No. 255 and on Alternate First Revised Sheet No. 254. Northwest states that due to an oversight, the phrase "including any related income taxes" was inadvertently omitted from Section 21.4 on Sheet No. 254. Therefore, Northwest has submitted Substitute Alternate First Revised Sheet No. 254 in lieu of the Alternate First Revised Sheet No. 254.

Northwest states that a copy of this filing has been served upon Northwest's customers, upon all intervenors in Docket No. RP97-239 and upon interested state regulatory commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public

inspection in the Public Reference Room.
