

judge's (ALJ's) initial determination (ID) (Order No. 17) in the above-captioned investigation terminating the investigation based on withdrawal of the complaint.

SUPPLEMENTARY INFORMATION: On July 31, 1996, the Commission instituted this investigation based on a complaint filed by Michelin North America, Inc. ("MNA"). The complaint alleged that the importation and sale of certain transport vehicle tires violated section 337 of the Tariff Act of 1930 by infringing claims of U.S. Letters Patent 4,480,671 ("the '671 patent") covering tread on a heavy duty tire. The companies named as respondents are Kumho Tire Co., Ltd. and Kumho Tire U.S.A., Inc. ("Kumho").

On November 27, 1996, Kumho filed a motion for summary determination of non-infringement. MNA opposed the motion. On December 12, 1996, Kumho also filed two motions requesting the ALJ to compel MNA to discover certain information relating to MNA's tire compounding and manufacturing processes. MNA opposed the discovery motions, arguing that the information requested by Kumho was extremely sensitive and highly sought-after proprietary information of MNA and that it was not relevant to the subject matter of the investigation. On December 24, 1996, the ALJ ordered MNA to produce the information (Order No. 12).

On January 7, 1997, pursuant to Commission rule 210.21(a), MNA moved for an order terminating the investigation based on withdrawal of the complaint. MNA stated that it was withdrawing the complaint and requesting termination of the investigation in order to protect its highly proprietary tire compounding information from discovery. Kumho opposed the motion, arguing that the ALJ should rule on the pending motion for summary determination before addressing the motion to terminate. On January 30, 1997, the ALJ granted MNA's motion to terminate and issued an ID terminating the investigation "with prejudice" (Order No. 17). The ALJ declined to issue a decision on Kumho's motion for summary determination.

On February 6, 1997, Kumho filed a petition for review of the ID terminating the investigation. In its petition, Kumho requested that the Commission vacate the ID and remand the investigation to the ALJ with instructions to rule on Kumho's pending motion for summary

determination and its motion for discovery sanctions before ruling on MNA's motion to terminate. MNA and the IA have opposed the petition for review.

This action is taken under the authority of section 337 of the Tariff Act of 1930, 19 U.S.C. § 1337, and Commission rule 210.42, 19 C.F.R. §§ 210.42. Copies of the ALJ's ID, and all other nonconfidential documents filed in connection with this investigation, are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

Issued: February 28, 1997.

By order of the Commission.
