Establishment of Supplementary Rule for Use Management of Imperial Sand Dunes Recreation Area, California Desert District

AGENCY: Bureau of Land Management, Interior.

ACTION: Establishment of supplementary rule.

SUMMARY: The primary purpose of this supplementary rule is enhancement of public safety in the Imperial Sand Dunes Recreation Area. This rule will provide a safety zone between the heavy traffic on Gecko Road and those camping off the road.

The following rule is therefore recommended:

1. No person shall camp or park on the shoulder of Gecko Road in the Imperial Sand Dunes Recreation Area except where permitted by posted signs. In areas where there is no obvious shoulder, no one shall park or camp within 10 feet of the pavement of Gecko Rd. This includes all portions of Gecko Road. For purposes of this rule, the

shoulder of the road is the compacted road base that extends from the edge of the pavement to where it drops off and resumes the natural contour of the surrounding terrain.

Background

The need for safety rules was identified during a series of public meetings held during preparation of the Imperial Sand Dunes Recreation Area Management Plan, completed in 1987. Safety hazards and methods of reducing them were high priority planning issues identified by participants at the planning meetings.

Additional safety precautions are needed to prevent accident or injury along Gecko Road. Visitors are parking and camping immediately adjacent to the road, and there is a high likelihood of accidents or injuries involving visitors parked or camped on the shoulder of the road.

EFFECTIVE DATE: Effective upon date of publication and will remain in effect until rescinded or modified by the authorized officer.

FOR FURTHER INFORMATION CONTACT:

Chief Area Ranger Robert Zimmer, Bureau of Land Management, El Centro Resource Area, 1661 S. 4th St., El Centro, CA 92243 (619) 337-4407.

SUPPLEMENTARY INFORMATION: The authority for this restriction is provided in 43 CFR 8365.1-6. Violation of this restriction is punishable by a fine not to exceed \$100,000.00 and/or imprisonment not to exceed 12 months.

Dated: February 26, 1997.

Terry Reed,

Area Manager.
