Meeting To Create a Successor Organization to the Grand Canyon Visibility Transport Commission

AGENCY: Environmental Protection Agency.

ACTION: Notice of meeting.

SUMMARY: The United States Environmental Protection Agency (U.S. EPA) is announcing an organizational meeting of the successor organization to the Grand Canyon Visibility Transport Commission (Commission). The meeting will be held on March 12-13, 1997 at the Atlantis Hotel, 3800 South Virginia Street, Reno, Nevada. The meeting will begin at 9:00 am on the 12th and end at noon on the 13th.

The Commission made recommendations to EPA per Section 169B of the Clean Air Act in June, 1996. At that time the Commission determined that a successor organization was necessary to track and coordinate the implementation of its recommendations. Subsequently the Commission approved, by mail ballot, the membership and general characteristics of such an organization.

At the meeting in Reno, the new organization will adopt by-laws governing its goals, principles and operating procedures. Whereas the principal function of the organization will be to foster the implementation of the Grand Canyon Visibility Transport Commission's recommendations, it will also consider additional functions relating to air quality in the western United States.

The Commission was established by U.S. EPA on November 13, 1991 (see 56 FR 57522, November 12, 1991). All meetings are open to the public. These meetings are not subject to the provisions of the Federal Advisory Committee Act, Pub. L. 92-463, as amended.
