Request for Public Comment

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Rule 6a-1 and Form 1	270-18	3235-0017
Rule 6a-2 and Form 1-A	270-13	3235-0022
Rule 15Ba2-1 and Form MSD	270-88	3235-0083
Rule 17Ac2-2 and Form TA-2	270-298	3235-0337

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is publishing the following summary of collections for public comment.

Rule 6a-1 and Form 1 states that the Commission may not grant registration to an exchange as a national securities exchange unless it finds, among other things, that the exchange is organized so that it has the capacity to carry out the purposes and to comply with the Securities Exchange Act of 1934 ("Exchange Act"). Form 1 is necessary because it required the information needed by the Commission to determine whether granting registration to an exchange would be appropriate.

Because Form 1 is filed on a one-time basis by an exchange, it is estimated that approximately 1 respondent incurs an average of 45 burden hours annually to comply with the rule.

Rule 6a-2 requires that registered and exempted national securities exchanges file Form 1-A on an annual basis. Form 1-A is necessary because it informs the Commission of any changes to Form 1 during the exchange's preceding fiscal year.

Form 1-A is required to be filed annually by a registered or exempted exchange to update information required to be filed on Form 1 which has changed during the exchange's preceding fiscal year. Such information is elicited, pursuant to the requirements of Rule 6a-1 under the Exchange Act, on Form 1. It is estimated that approximately 9 respondents incur a total of 270 burden hours annually to comply with the rule.

Rule 15Ba2-1 provides that an application for registration by a bank municipal securities dealer must be filed on Form MSD. The information required to be disclosed on Form MSD is necessary for the Commission to determine whether or not registration as a municipal securities dealer should be granted.

It is estimated that approximately 40 respondents will utilize this application procedure annually, with a total burden of 60 hours, based upon past submissions.

Rule 17Ac2-2 requires transfer agents, who are not exempt, to file an annual report of their business activities on Form TA-2 with the Commission, the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, or the Federal Deposit Insurance Corporation.

It is estimated that approximately 1,000 respondents are exempt from providing certain information contained in the annual report. An additional 400 non-exempt respondents will file an annual report. The total annual burden is 1,000 hours for exempt respondents and 2,000 hours for non-exempt respondents, based upon past submissions.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
