SUMMARY: The Service is announcing procedures for obtaining funding for Federal Aid administrative projects and availability of an estimated \$2,000,000 for Wildlife Restoration projects and \$2,000,000 for Sport Fish projects. This year's program changes the application

deadline, updates focus areas, and clarifies documentation needs from the previous year.

SUPPLEMENTARY INFORMATION: The Service publishes a notice in the Federal Register each year announcing the deadline for project proposals, the amount of money available for Sport Fish and Wildlife Restoration projects, and the focus areas identified for the year. The focus areas are provided as a guide so that applicants will know the types of projects that will likely score higher in the rankings.

Changes made since last year's program include a new application deadline of May 1, 1997, revised focus areas, and the requirement for applicants to submit a completed Application for Federal Assistance (Standard Form 424) including Budget Information—Non-Construction Programs (Standard Form 424A) and Assurances—Non-Construction Programs (Standard Form 424B).
