SUPPLEMENTARY INFORMATION: FFIEC consists of representatives from the FDIC, OCC, FRB, OTS, and NCUA. On December 8, 1992, upon the recommendation of the Financial Action Task Force, FFIEC adopted a policy statement concerning the problem of the use of large value funds transfers, and recommended that the five member agencies adopt the Statement. As a means to assist law enforcement agencies in the identification and documentation of parties to funds transfers, the Statement recommended that banks obtain and maintain certain records concerning funds transfers originated or received. The FDIC, OCC, FRB, OTS, and NCUA subsequently adopted the Statement which was published in the Federal Register on March 17, 1993 (58 FR 14400).

On January 3, 1995, the Department of the Treasury and the Board of Governors of the Federal Reserve System jointly published in the Federal Register an amendment to the Bank Secrecy Act ("BSA") regulations that requires financial institutions to obtain and maintain records concerning funds transfers originated or received by the institutions. The recordkeeping requirements contained in the amendment to the BSA regulations are the same as those recommended in the Statement. The amendment to the BSA regulations became effective May 28, 1996; the Statement has become duplicative and, therefore, unnecessary.

On September 13, 1996, by notational vote, the FFIEC voted to rescind the Statement on behalf of the Agencies.

Dated at Washington, D.C., this 5th day of March, 1997.
