GENERAL SERVICES ADMINISTRATION

Change in Solicitation Procedures Under the Small Business Competitiveness Demonstration Program

AGENCY: Office of Acquisition Policy,
GSA.

ACTION: Notice.

SUMMARY: Title VII of the Business Opportunity Development Reform Act of 1988 (Public Law 100-656) established the Small Business Competitiveness Demonstration Program and designated nine (9) agencies, including GSA, to conduct the program over a four (4) year period from January 1, 1989 to December 31, 1992. The Small Business Opportunity Enhancement Act of 1992 (Public Law 102-366) extended the demonstration program until September 1996 and made certain changes in the procedures for operation of the demonstration program. The program has been extended for an additional one-year period by the Omnibus Consolidated Appropriations Act (Public Law 104-208). The law designated four (4) industry groups for testing whether the competitive capabilities of the specified industry groups will enable them to successfully compete on an unrestricted basis. The four (4) industry groups are: construction (except dredging); architectural and engineering (A&E) services (including surveying and mapping); refuse systems and related services (limited to trash/garbage collection); and non-nuclear ship repair. Under the program, when a participating agency misses its small business participation goal, restricted competition is reinstated only for those contracting activities that failed to attain the goal. The small business goal is 40 percent of the total contract dollars awarded for construction, trash/garbage collection services, and non-nuclear ship repair and 35 percent of the total contract dollars awarded for architect-engineer services. This notice announces modifications to GSA's solicitation practices under the demonstration program based on a

review of the agency's performance during the period from January 1, 1996 to December 31, 1996. Modifications to solicitation practices are outlined in the Supplementary Information section below and apply to solicitations issued on or after April 1, 1997.

EFFECTIVE DATE: April 1, 1997.

FOR FURTHER INFORMATION CONTACT: Tom Wisnowski, Office of GSA Acquisition Policy, (202) 501-1224.

SUPPLEMENTARY INFORMATION: Procurements of construction or trash/garbage collection with an estimated value of \$25,000 or less and procurement of A-E services with an estimated value of \$50,000 or less will be reserved for emerging small business concerns in accordance with the procedures outlined in the interim policy directive issued by the Office of Federal Procurement Policy (58 FR 13513, March 11, 1993).
