SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 et seq.), this notice announces that the Information Collection Request (ICR) abstracted below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICR describes the nature of the information collection and its expected burden. The Federal Register Notice with a 60-day comment period soliciting

comments on the following collection of information was published on October 22, 1996 [FR 61, page 54833].

DATES: Comments must be submitted on or before April 14, 1997.

FOR FURTHER INFORMATION CONTACT: Judith Street, (202) 267-9895, and refer to the OMB Control Number.

SUPPLEMENTARY INFORMATION:

Federal Aviation Administration

Title: Recording of Aircraft Conveyances and Security Documents.

Type of Request: Extension of a currently approved information collection for which approval has expired.

OMB Control Number: 2120-0043.

Affected Public: Individuals, corporations, states and local governments.

Abstract: Approval is needed for security conveyances, such as mortgages, submitted by the public for recording against aircraft, engines, propellers, and spare parts locations. 14 CFR part 49 establishes procedures for implementation of the recording of aircraft conveyances and security Documents. Part 49 describes what information must be contained in a security conveyance in order for it to be recorded with FAA. The convention on the International Recognition signatory prevents, by treaty, the export of an aircraft and cancellation of its nationality marks if there is an outstanding lien recorded. The Civil Aviation Registry must have consent or release of lien from the lien holder prior to confirmation/cancellation for export.

Burden Estimate: The estimated burden in 56,000 hours annually.

Comments: Send all comments regarding whether this information collection is necessary for proper performance of the function of the agency and will have practical utility; accuracy of the burden estimates; ways to minimize this burden; and ways to enhance quality, utility, and clarity of the information to be collected to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street, NW., Washington, DC 20503, Attention DOT Desk Officer.
