(3) A determination of interrelatedness will be based on the totality of the facts and the presence or absence of any one or more factors is not determinative, except that an overlap of officers and directors such that the governing body of one organization includes enough representatives of the other to cause or prevent action by the other will be determinative that the organizations are interrelated.

(b) The restrictions in this part will not be applied to an organization found to be interrelated pursuant to paragraph (a) if:

(1) The organization receives no LSC funds, and LSC funds do not directly or indirectly subsidize restricted activities;

(2) The relationship with the organization is approved by the recipient's governing body; and

(3) The recipient is physically and financially separate from the organization. Mere bookkeeping separation of LSC funds from other funds is not sufficient. In order to be physically and financially separate, the recipient and the organization must have an objective integrity and independence from one another. Factors considered to determine whether such objective integrity and independence exist shall include, but are not limited to:

(i) The existence of separate personnel;

(ii) The existence of separate accounting and timekeeping records;

(iii) The existence of separate facilities; and

(iv) The extent to which signs and other forms of identification which distinguish the recipient from the organization are present.

#### § 1610.9 Accounting.

Funds received by a recipient from a source other than the Corporation shall be accounted for as separate and distinct receipts and disbursements in a manner directed by the Corporation.

Dated: March 11, 1997.

Victor M. Fortuno,

General Counsel.

[MM Docket No. 96-122; RM-8795; RM-8860]

#### Radio Broadcasting Services; Riverdale and Huron, CA

AGENCY: Federal Communications Commission.

ACTION: Final rule.

**SUMMARY:** This document dismisses a petition for rule making filed by Happy Nice Valley Broadcasting requesting the allotment of Channel 252A to Riverdale, California, as that locality's first local aural transmission service (RM-8795). The proposal is dismissed based upon the lack of interest by the petitioner or any other interested party to provide information, as requested, to establish that Riverdale constitutes a *bona fide* "community", as that term is defined for purposes of Section 307(b) of the Communications Act, as amended by the Telecommunications Act of 1996, for allotment objectives. See 61 FR 30585, June 17, 1996. However, in response to a counterproposal filed by Radio Coalinga Latino, Channel 252A is allotted to the incorporated community of Huron, California, as that locality's first local aural transmission service (RM-8860). Coordinates used for Channel 252A at Huron, California, are 36-15-41 and 120-04-19. With this action, the proceeding is terminated.

**DATES:** Effective April 21, 1997. The window period for filing applications on Channel 252A at Huron, California, will open on April 21, 1997, and close on May 22, 1997.

**FOR FURTHER INFORMATION CONTACT:** Nancy Joyner, Mass Media Bureau, (202) 418-2180. Questions related to the window application filing process for Channel 252A at Huron, California, should be addressed to the Audio Services Division, (202) 418-2700.
