FEDERAL COMMUNICATIONS COMMISSION

Notice of a Correction to a Public Information Collections Submitted to OMB for Review and Approval

March 13, 1997.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before April 11, 1997. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of

time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to dconway@fcc.gov and Timothy Fain, OMB Desk Officer, 10236 NEOB 725 17th Street, NW., Washington, DC 20503 or fain_t@a1.eop.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION: The Commission adopted rules and policies to streamline application and licensing requirements for satellite space and earth stations under the Commission's rules regarding satellite communications. A summary of the Commission's Report and Order in IB Docket No. 95-117, FCC 96-425, was published in the **Federal Register** at 62 FR 5924 (February 10, 1997). The information collection contained in that summary is being corrected here to reflect an increase in the number of respondents (from 1275 to 1300) and a corresponding increase in the total annual burden (from 2550 to 2600). The estimated costs per application type remain the same. However, the estimated fee costs have been increased to reflect the additional submissions. *OMB Approval Number:* 3060-0678.

Title: Streamlining the Commission's Rules and Regulations for Satellite Application and Licensing Procedures. *Form No.:* FCC Form 312.

Type of Review: Revision of existing collections.

Respondents: Businesses or other for profit, including small businesses.

Number of Respondents: 1,300.

Estimated Time Per Response: The Commission estimates all respondents will hire an attorney or legal assistant to complete the form. The time to retain these services is 2 hours per respondent.

Total Annual Burden: 2,600 hours.

Estimated Costs Per Respondent: This includes the charges for hiring an attorney, legal assistant, or engineer at \$150 an hour to complete the submissions. The estimated average time to complete the Form 312 is 10 hours per response. The estimated average time to complete space station submissions is 20 hours per response. The estimated average time to complete the ASIA submission is 24 hours per response. Earth station submissions: \$1935. (\$1500 for Form 312; \$375 remainder of application; \$60 for

outside hire.) Space station submissions: \$4560 (\$1500 for Form 312; \$3000 for remainder of submission; \$60 for outside hire). ASIA submissions: \$3,660 (\$3,600 for submission; \$60 for outside hire). Fee amounts vary by type of service and application. Total fee estimates for industry: \$5,803,770.00.

Needs and Uses: In accordance with the Communications Act, the information collected will be used by the Commission in evaluating applications requesting authority to operate pursuant to Part 25 of the Commission's rules. The information will be used to determine the legal, technical, and financial ability of the applicants and will assist the Commission in determining whether grant of such authorizations are in the public interest.

Federal Communications Commission.
