RIN 3090-AG36

Federal Travel Regulation; Maximum Per Diem Rates

AGENCY: Office of Governmentwide Policy, GSA.

ACTION: Final rule.

SUMMARY: This final rule amends Federal Travel Regulation (FTR) Amendment 52, published in the Federal Register on Thursday, November 21, 1996 (61 FR 59185) to

add per diem localities in the States of Louisiana and Virginia, and to add the State of North Dakota with a clarifying footnote (number 5), explaining that all locations within that State are subject to the standard CONUS rate. This rule also corrects footnote number three and an incorrect entry listed in the prescribed maximum per diem rate for Gettysburg (Adams County), Pennsylvania.

DATES: This final rule is effective January 1, 1997, and applies for travel performed on or after January 1, 1997.

FOR FURTHER INFORMATION CONTACT: Joddy P. Garner, Travel and Transportation Management Policy Division (MTT), Washington, DC 20405, telephone 202-501-1538.

SUPPLEMENTARY INFORMATION: The General Services Administration has determined that this rule is not a significant regulatory action for the purposes of Executive Order 12866 of

September 30, 1993. This final rule is not required to be published in the Federal Register for notice and comment. Therefore, the Regulatory Flexibility Act does not apply. This rule also is exempt from congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel. For reasons set out in the preamble, under 5 U.S.C. 5701-5709, title 41, Chapter 301 of the Code of Federal Regulation is revised to read as follows:

CHAPTER 301—TRAVEL ALLOWANCES

1. Appendix A to Chapter 301 is amended by adding and correcting the following per diem localities and footnote ³ to read as follows:

Appendix A to Chapter 301—Prescribed Maximum Per Diem Rates for CONUS

* * * * *

Per diem locality		Maximum lodging amount (a)	+	M&IE rate (b)	=	Maximum per diem rate ⁴ (c)
Key city ¹	County and/or other defined location ^{2,3}					
Louisiana:						
St. Francisville	West Feliciana	85		30		115
North Dakota: (See footnote 5)						
Pennsylvania:						
Gettysburg	Adams					
	(May 1–October 31)	68		34		102
	(November 1–April 30)	62		34		96
Virginia:						
Harrisonburg	Harrisonburg	51		30		81

¹ Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."

² Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties."

³ When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the two rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.

⁴ Federal agencies may submit a request to GSA for review of the costs covered by per diem in a particular city or area where the standard CONUS rate applies when travel to that location is repetitive or on a continuing basis and travelers' experiences indicate that the prescribed rate is inadequate. Other per diem localities listed in this appendix will be reviewed on an annual basis by GSA to determine whether rates are adequate. Requests for per diem rate adjustments shall be submitted by the agency headquarters office to the General Services Administration, Office of Governmentwide Policy, Attn: Travel and Transportation Management Policy Division (MTT), Washington, DC 20405. Agencies should designate an individual responsible for reviewing, coordinating, and submitting to GSA any requests from bureaus or subagencies. Requests for rate adjustments shall include a city designation, a description of the surrounding location involved (county or other defined area), and a recommended rate supported by a statement explaining the circumstances that cause the existing rate to be inadequate. The request also must contain an estimate of the annual number of trips to the location, the average duration of such trips, and the primary purpose of travel to the locations. Agencies should submit their requests to GSA no later than May 1 in order for a city to be included in the annual review.

⁵ The standard CONUS rate of \$80 (\$50 for lodging and \$30 for M&IE) applies to all per diem localities in the State of North Dakota.

Dated: January 22, 1997.
 David J. Barram,
 Acting Administrator of General Services.

**FEDERAL EMERGENCY
 MANAGEMENT AGENCY**

44 CFR Part 64

[Docket No. FEMA-7661]

**List of Communities Eligible for the
 Sale of Flood Insurance**

AGENCY: Federal Emergency
 Management Agency (FEMA).

ACTION: Final rule.

SUMMARY: This rule identifies communities participating in the National Flood Insurance Program (NFIP). These communities have applied to the program and have agreed to enact certain floodplain management measures. The communities' participation in the program authorizes the sale of flood insurance to owners of property located in the communities listed.

EFFECTIVE DATES: The dates listed in the third column of the table.

ADDRESSES: Flood insurance policies for property located in the communities listed can be obtained from any licensed property insurance agent or broker serving the eligible community, or from the NFIP at: Post Office Box 6464, Rockville, MD 20849, (800) 638-6620.

FOR FURTHER INFORMATION CONTACT: Robert F. Shea, Jr., Division Director, Program Implementation Division, Mitigation Directorate, 500 C Street SW., room 417, Washington, DC 20472, (202) 646-3619.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Since the communities on the attached list have recently entered the NFIP, subsidized flood insurance is now available for property in the community.

In addition, the Executive Associate Director of the Federal Emergency Management Agency has identified the special flood hazard areas in some of these communities by publishing a Flood Hazard Boundary Map (FHBM) or Flood Insurance Rate Map (FIRM). The date of the flood map, if one has been published, is indicated in the fourth column of the table. In the communities listed where a flood map has been published, Section 102 of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4012(a), requires the purchase of flood insurance as a condition of Federal or federally related financial assistance for acquisition or construction of buildings in the special flood hazard areas shown on the map.

The Executive Associate Director finds that the delayed effective dates would be contrary to the public interest. The Executive Associate Director also finds that notice and public procedure under 5 U.S.C. 553(b) are impracticable and unnecessary.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR Part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Executive Associate Director certifies that this rule will not have a significant

economic impact on a substantial number of small entities in accordance with the Regulatory Flexibility Act, 5 U. S. C. 601 *et seq.*, because the rule creates no additional burden, but lists those communities eligible for the sale of flood insurance.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

Executive Order 12612, Federalism. This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, October 26, 1987, 3 CFR, 1987 Comp., p. 252.

Executive Order 12778, Civil Justice Reform. This rule meets the applicable standards of section 2(b)(2) of Executive Order 12778, October 25, 1991, 56 FR 55195, 3 CFR, 1991 Comp., p. 309.
