ACTION: Request OMB Emergency Approval; Application—Checkpoint Pre-enrolled Access Lane.

The Department of Justice, Immigration and Naturalization Service (Service) has submitted the following information collection request (ICR) utilizing emergency review procedures, to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The necessity for emergency review and implementation of this information collection is as follows: Congress has made continued funding for the Border patrol checkpoints at San Clemente and Temecula, California, contingent on establishing a commuter facilitation project at the San Clemente checkpoint (See pub. L. 104-134). Compliance with normal OMB review procedures could force the Service to violate an express congressional mandate and lose funding for the checkpoints. Congress mandates the Checkpoint Pre-enrolled Access Lane program's enrollment process be implemented by April 1, 1997 and the commuter lane be operational by June 30, 1997. Therefore, the Service is requesting OMB emergency review and clearance of this information collection by March 21, 1997.

The proposed information collection is published to obtain comments from the public and affected agencies. If granted, the emergency approval is only valid for 180 days. A copy of this ICR, with applicable supporting documentation, may be obtained by calling the Immigration and Naturalization Service, Director, Policy Directives and Instructions Branch, Richard Sloan (202-616-7600).

Comments and questions about the ICR listed below should be forwarded to OMB, Office of Information and Regulatory Affairs, Attention: Ms. Debra Bond, 202-395-7316, Department of Justice Desk Officer, Room 10235, Office of Management and Budget, Washington, DC 20503.
