

**SUPPLEMENTARY INFORMATION:** Current regulations at § 200.5, § 200.7, § 200.8, and § 200.9 of Title 36 of the Code of Federal Regulations provide guidance for locating, inspecting, and copying Forest Service information. As part of the President's Regulatory Reinvention Initiative, an agency review team determined that these four small regulations could be combined to provide one streamlined regulation for viewing and obtaining information. In addition, minor revisions have been made to clarify longstanding procedures for requesting information and for clarifying when fees are assessed for copies of records and agency publications. As a result of combining these rules, sections 200.10 and 200.11 will be redesignated as §§ 200.7 and 200.8 respectively. No substantive changes have been made to the agency's policies on access to information.

#### List of Subjects in 36 CFR Part 200

Administrative practice and procedure, Freedom of information, Organization and functions (Government agencies).

Therefore, for the reasons set forth in the preamble, Part 200 of Title 36 of the Code of Federal Regulations is hereby amended as follows:

#### PART 200—[AMENDED]

1. The authority citation for Part 200 is revised to read as follows:

**Authority:** 5 U.S.C. 552; 16 U.S.C. 472, 551, and 1603.

2. In part 200, §§ 200.6 and 200.5 are redesignated as §§ 200.5 and 200.6, respectively, and newly designated § 200.6 is revised to read as follows:

#### § 200.6 Information available; inspection, copying, and charges.

(a) In accordance with 5 U.S.C. 552(a) and 7 CFR 1.2, the Forest Service shall make available for public inspection and copying all published or unpublished directives, forms, records, and final opinions, including concurring or dissenting opinions and orders made in the adjudication of cases. Charges for information requested from the Forest Service are set out in paragraph (d) of this section and vary according to the type of information requested.

(b) Information made available pursuant to paragraph (a) of this section may be obtained at the Office of the Chief, or the office of any Regional Forester, Research Station Director, Area Director, Institute Director, Forest Supervisor, or District Ranger. The addresses of these offices are set forth in §§ 200.1 and 200.2. Forest Service

personnel at these offices will assist members of the public seeking Forest Service records. However, Research Station and Institute Directors and District Rangers may not have all volumes of the Forest Service Manual and Handbooks. When the information requested is not available at a given location, the personnel where the request is received will direct the requester to another office where the information may be obtained.

(c) Inspection and copying availability is as follows:

(1) Facilities for inspection and copying are available at the offices listed in §§ 200.1 and 200.2, during established office hours for the particular location, usually 8 a.m. to 5 p.m., Monday through Friday. Copying facilities may not be available at all Forest Service offices.

(2) Requesters for information may make copies of available information without charge if they elect to bring their own copy equipment to the appropriate offices listed in §§ 200.1 and 200.2.

(3) Requesters should make prior arrangements for using agency copying facilities or for bringing in copying equipment and, in the later case, should get advance approval from the office.

(d) Any request for information pursuant to the provisions of the Freedom of Information Act must be submitted in accordance with §§ 200.7 and 200.8. The Forest Service charges a fee for copies of records not generally made available to the public but released pursuant to a FOIA request in accordance with a schedule of fees established by the Department of Agriculture at 7 CFR Part 1, Subpart A, Appendix A. These fees do not apply to information that is generally and routinely made available to the public upon request, such as recreational brochures, pamphlets, maps, and technical guides as well as agency directive issuances. Separate charges for such general information are established in the agency's Directive System (§ 200.4). For example, some pamphlets and small segments of the Forest Service Manual and Handbook may be provided at no cost, but maps of the National Forest System and larger sections of the Manual and Handbook are available for a charge. Current charges are explained at the time the request is made.

#### §§ 200.7, 200.8, and 200.9 [Removed]

#### §§ 200.10 and 200.11 [Redesignated as §§ 200.7 and 200.8]

3. Remove §§ 200.7 through 200.9 and redesignate §§ 200.10 and 200.11 as §§ 200.7 and 200.8, respectively.

Dated: March 7, 1997.

**Barbara C. Weber,**  
*Acting Chief.*

## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 271

[FRL-5800-1]

#### Arizona: Final Authorization of State Hazardous Waste Management Program Revisions; Correction

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Immediate final rule; correction.

**SUMMARY:** The Environmental Protection Agency published in the **Federal Register** of March 7, 1997, the authorization of Arizona's Hazardous Waste Management Program Revisions under the Resource Conservation and Recovery Act (RCRA). The heading in that published version stated "Nevada: Final Authorization of State Hazardous Waste Management Program Revisions." This was a typographical error and should have read "Arizona: Final Authorization of State Hazardous Waste Management Program Revisions." This document corrects that error and consequently extends the public comment period and effective dates.

**DATES:** Final authorization for Arizona is effective May 20, 1997 unless EPA publishes a prior **Federal Register** action withdrawing this immediate final rule. All comments on Arizona's program revision application must be received by the close of business April 21, 1997.

**FOR FURTHER INFORMATION CONTACT:** Lisa McClain-Vanderpool, U.S. EPA Region IX (WST-3), 75 Hawthorne Street, San Francisco, CA 94105, Phone: 415/744-2086.

Dated: March 14, 1997.

**Rich Vaille,**

*Acting Director, Waste Management Division.*
