

No. G-10395, all as more fully set forth in the application on file with the Commission and open to public inspection.

Texas Gas proposes to abandon a transportation service with ANR because the service is no longer necessary or beneficial and both parties have agreed to terminate the transportation service.

Any person desiring to be heard or to make protest with reference to said application should on or before April 8, 1997, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules and Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure provided for, unless otherwise advised, it will be unnecessary for Texas Gas to appear or be represented at the hearing.

**Transcontinental Gas Pipe Line Corporation; Notice of Refund Report**

March 18, 1997.

Take notice that on February 26, 1997, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing a refund report pursuant to an uncontested Stipulation and Agreement (Partial Settlement) approved by Commission letter order issued December 23, 1996 in Docket Nos. RP95-197 et al and RP96-44 et al (Consolidated).

Transco states that this Partial Settlement resolves certain outstanding issues between Transco and Northeast Energy Associates, L.P. and North Jersey Associates, L.P. (Energy Associates) and provides settlement rates for services rendered by Transco to Energy Associates under Rate Schedules X-319 and X-320.

Transco further states that it has calculated refunds for Energy Associates based on the total amount collected from Energy Associates for the period September 1, 1995 through October 31, 1996, in excess of the total amount that Transco would have collected under the revised rates stated on the tariff sheets approved as part of the Partial Settlement (subject to further adjustment, as necessary, to reflect the outcome of the remaining issues in Phases I and II). The refunds to Energy Associates total \$77,402.19 including interest.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations.
