Notice of Intent to Repatriate Cultural Items From South Dakota in the Possession of the Heard Museum, Phoenix, AZ

AGENCY: National Park Service

ACTION: Notice

Notice is hereby given under the Native American Graves Protection and Repatriation Act, 25 U.S.C. 3005 (a)(2), of the intent to repatriate cultural items in the possession of the Heard Museum, Phoenix, AZ, which meet the definition of "sacred objects" under Section 2 of the Act.

The cultural items are two carved pipestone pipes. The first pipe has a wooden stem carved with a bird and wrapped with quillwork. The second pipe has a pipestone stem carved in geometric designs and joined to the pipestone bowl with a wooden dowel.

Prior to 1954, these pipes were purchased by the Heard Museum from an unknown source. Accession information identifies the pipes as Rosebud Sioux from South Dakota.

Consultation evidence presented by representatives of the Cheyenne River Sioux Tribe on behalf of the Rosebud Sioux Tribe indicates these items are "Pipes of the Leader" and are used in a number of ceremonies including the Sweat Lodge, Sun Dance, Throwing of the Balls, Keeping of the Soul, Vision Quest, Woman's Ceremony, and Healing Ceremony. Consultation evidence further indicates these two cultural items are specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions by their present-day adherents.

Based on the above-mentioned information, officials of the Heard Museum have determined that,

pursuant to 25 U.S.C. 3001 (3)(C), these two cultural items are specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions by their present-day adherents. Officials of the Heard Museum have also determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity which can be reasonably traced between these items and the Rosebud Sioux Tribe.

This notice has been sent to officials of the Cheyenne River Sioux Tribe, Devil's Lake Sioux Tribe, Oglala Sioux Tribe, Rosebud Sioux Tribe, Santee Sioux Tribe of Nebraska, and Standing Rock Sioux Tribe. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these objects should contact Martin Sullivan, Director, Heard Museum, 22 E. Monte Vista Rd., Phoenix, AZ 85004-1480; telephone (602) 252-8840 before April 25, 1997. Repatriation of these objects to the Cheyenne River Sioux Tribe on behalf of the Rosebud Sioux Tribe may begin after that date if no additional claimants come forward.

Dated: March 11, 1997.

Notice of Inventory Completion for Native American Human Remains From Itasca County, MN, in the Possession of the Minnesota Historical Society, St. Paul, MN

AGENCY: National Park Service

ACTION: Notice

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003 (d), of the completion of an inventory of human remains from Itasca County, MN in the possession of the Minnesota Historical Society, St. Paul, MN.

A detailed assessment of the human remains was made by Minnesota Historical Society professional staff and Hamline University osteologist in consultation with representatives of Assiniboine & Sioux Tribes of the Fort Peck Reservation, Bad River Band of Lake Superior Indians, Bay Mills Indian Community of the Sault Ste. Marie Band of Chippewa Indians, Bois Forte Band of Chippewa Indians, Chippewa-Cree Indians of the Rocky Boy's Reservation, Fond du Lac Band of Chippewa Indians,

Fort Belknap Indian Community, Grand Portage Band of Chippewa Indians, Grand Traverse Band of Ottawa and Chippewa Indians, Keweenaw Bay Indian Community of L'Anse and Ontonagon Bands of Chippewa Indians, Lac Courte Orielles Band of Lake Superior Chippewa Indians, Lac Du Flambeau Band of Lake Superior Chippewa Indians, Lac Vieux Desert Band of Lake Superior Chippewa Indians, Leech Lake Band of Chippewa Indians, Mille Lacs Band of Chippewa Indians, Minnesota Chippewa Tribe, Red Cliff Band of Lake Superior Chippewa Indians, Red Lake Band of Chippewa Indians, Saginaw Chippewa Tribe, Sault Ste. Marie Tribe of Chippewa Indians, Sokaogon Chippewa Community of the Mole Lake Band of Chippewa Indians, St. Croix Chippewa Indians of Wisconsin, Turtle Mountain Band of Chippewa Indians, and White Earth Band of Chippewa Indians.

In 1977, human remains representing one individual were recovered during legally authorized excavations following bulldozer damage at Inger Mound, Itasca County, MN during a highway survey. No known individuals were identified. No associated funerary objects are present.

Inger Mound (Site 21 IC 16) has been identified as a Black Duck site occupied between 800-1400 AD based on pottery fragments at the site. Anthropological sources and historic documentation indicate the Black Duck culture is a likely antecedent for the Assiniboine, Cree, and Ojibwe cultures based on continuity of pottery styles, manner of internments, continuity of tool styles, geographic location, and continual heavy dietary utilization of wild rice and fishing.

Based on the above mentioned information, officials of the Minnesota Historical Society have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the Minnesota Historical Society have also determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and the Assiniboine & Sioux Tribes of the Fort Peck Reservation, Bad River Band of Lake Superior Indians, Bay Mills Indian Community of the Sault Ste. Marie Band of Chippewa Indians, Bois Forte Band of Chippewa Indians, Chippewa-Cree Indians of the Rocky Boy's Reservation, Fond du Lac Band of Chippewa Indians, Fort Belknap Indian Community, Grand Portage Band of Chippewa Indians, Grand Traverse Band of Ottawa and
