Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof From France, Germany, Italy, Japan, and Singapore; Amended Final Results of Antidumping Duty Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amended final results of antidumping duty administrative reviews.

SUMMARY: On January 15, 1997, the Department of Commerce (the

Department) published the final results of administrative reviews of the antidumping duty orders on antifriction bearings (other than tapered roller bearings) and parts thereof from France, Germany, Italy, Japan, Singapore, and the United Kingdom (62 FR 2801). The classes or kinds of merchandise covered by these reviews are ball bearings and parts thereof (BBs), cylindrical roller bearings and parts thereof (CRBs), and spherical plain bearings and parts thereof (SPBs). The period of review (the POR) is May 1, 1994, through April 30, 1995. Based on the correction of ministerial errors, we have changed the margins for BBs for 10 companies, CRBs for 5 companies, and SPBs for 2 companies. We are also amending the section of the published final results regarding sales below cost in the home market in order to correct a ministerial error.

EFFECTIVE DATE: March 26, 1997.

SUPPLEMENTARY INFORMATION:**Background**

On January 15, 1997, the Department published the final results of its administrative reviews of the antidumping duty orders on antifriction bearings (other than tapered roller bearings) and parts thereof from France, Germany, Italy, Japan, Singapore, and the United Kingdom (62 FR 2081). The reviews covered 27 manufacturers/exporters and the POR May 1, 1994, through April 30, 1995.

After publication of our final results, we received timely allegations from the petitioner and several respondents that we had made ministerial errors in calculating the final results. We have corrected our calculations where we agree that we made ministerial errors in accordance with section 751(A) of the Tariff Act. In addition, we have corrected our calculations for ministerial errors that were not alleged by the petitioner or respondents but which we discovered after publication of the final results. See company-specific analysis memoranda for a description of the changes that we made to correct the ministerial errors.

We are also amending the section of the notice of final results of reviews regarding sales below cost in the home market in order to correct a ministerial error. In this section, we inadvertently

listed Nachi as one of the companies for which we disregarded below-cost sales in the home market. Nachi was not subject to review and, therefore, should not have been listed in this section.
