#### SUPPLEMENTARY INFORMATION:

##### The Rule

This amendment to part 73 of the Federal Aviation Regulations (14 CFR part 73) adds "FAA, Oakland ARTCC" as the controlling agency for R-2530 Sierra Army Depot, CA, R-4802 Lone Rock, NV, and R-4811 Hawthorne, NV, to support the provisions of the Open Skies Treaty. This amendment is an administrative change, therefore, there

are no changes to the boundaries, designated altitudes, times of designation, or activities conducted within the affected restricted area. Because this action is a minor technical amendment in which the public is not particularly interested, I find that notice and public procedure under 5 U.S.C. 553(b) are unnecessary. Sections 73.25 and 73.48 of part 73 of the Federal Aviation Regulations were republished in FAA Order 7400.8D dated July 11, 1996.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

#### Environmental Review

This action adds a controlling agency to the specified restricted areas. There are no changes to the boundaries, designated altitudes, times of designation, or activities conducted within the affected restricted areas. Accordingly, this action is not subject to environmental assessments and procedures as set forth in FAA Order 1050.1D, "Policies and Procedures for Considering Environmental Impacts" and the National Environmental Policy Act of 1969.
