

OMB Clearance Number—2127-0001.
Form Number—This collection of information uses no standard form.

Requested Expiration Date of Approval—Three years from date of approval.

Summary of the Collection of Information—The National Driver Register Act of 1982 (Public Law 97-364), as amended, mandates the Secretary of Transportation to establish and maintain a National Driver Register to assist chief driver licensing officials of participating states in exchanging information about the motor vehicle driving records of individuals. The Act requires the chief driver licensing official of each participating state to submit a report to the Secretary of each individual who is denied a motor vehicle operator's license by that State for cause; whose motor vehicle operator's license is revoked, suspended, or canceled by that State for cause; or who is convicted under the laws of that State of any of the following motor vehicle-related offenses or comparable offenses: (a) Operating a motor vehicle while under the influence of, or impaired by, alcohol or a controlled substance; (b) a traffic violation arising in connection with a fatal traffic accident, reckless driving, or racing on the highways; (c) failing to give aid or provide identification when involved in an accident resulting in death or personal injury; (d) perjury or knowingly making a false affidavit or statement to officials about activities governed by a law or regulation on the operation of a motor vehicle. The Act also requires the chief driver licensing officials of participating states to check the NDR on all first time above-minimum age driver license applicants in their states.

The Commercial Motor Vehicle Safety Act of 1986 requires the states to check the NDR for all applicants for Commercial Drivers Licenses.

Description of the need for the information and proposed use of the information—The purpose of the NDR, and thus this information collection activity, is to prevent the issuance of driver's licenses to problem drivers in order to enhance traffic safety. Through amendments to the NDR Act, the activity also serves to prevent the certification of airline pilots, merchant mariners, locomotive operators, and individuals employed as motor vehicle operators if they are problem drivers.

The information will be used by NHTSA in exercising its statutory authority to operate the NDR. Without this information, states could issue licenses to individuals who are suspended or revoked in other states, or

could issue a duplicate license to an individual who is licensed in another state allowing them to spread their violations over a number of licenses.

Description of Likely Respondents (Including Estimated Number, and Proposed Frequency of Response to the Collection of Information)—The 51 respondents are the State driver licensing agencies, including the District of Columbia. The frequency of response depends on how each state chooses to update the NDR master file. File updates can be daily or monthly.

Estimate of the Total Annual Reporting and Recordkeeping Burden Resulting from the Collection of Information—The agency estimates the reporting burden for this year will be \$39,540 for the 51 jurisdictions. The reporting burden is based on information systems personnel salaries and related expenses.

Lake State Railway Company— Acquisition and Operation Exemption—Detroit & Mackinac Railway Company

Lake State Railway Company (LSR), a Class III railroad, has filed a notice of exemption to acquire and operate 275 miles of rail line between Kawkawlin and Gaylord, MI, and between Pinconning and Rogers City, MI, from the Detroit & Mackinac Railway Company (D&M), as follows: (1) The Pinconning Subdivision, from approximately milepost 5.0 to milepost 11; (2) the Mackinac Subdivision, from approximately milepost 116 to the end of the line at milepost 122; (3) the Huron Subdivision, from approximately milepost 16 to milepost 151.25, including the Pinconning crossover; (4) the Rogers City Branch from milepost 0.0 to milepost 11.0; and (5) the Hillman Branch and the Alabaster Branch.¹

The transaction was to be consummated on or after the effective

¹ LSR currently leases and operates the rail lines that are the subject of this notice from D&M. See *Lake State Railway Company—Lease and Operation Exemption—Detroit and Mackinac Railway Company*, Finance Docket No. 32012 (ICC served Feb. 27, 1997).

date of the exemption (7 days after the notice of exemption was filed), but no later than April 16, 1997.

LSR states that: (i) the acquisition will not place LSR in control of any connecting railroads; (ii) the acquisition is not part of a series of anticipated transactions that would place LSR in control of any connecting railroad; and (iii) the transaction does not involve a Class I carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. See 49 CFR 1180.2(d)(2).

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under sections 11324 and 11325 that involve only Class III rail carriers. Because this transaction involves Class III rail carriers only, the Board, under the statute, may not impose labor protective conditions for this transaction.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 33372, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street NW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Kelvin J. Dowd, Esq., Slover & Loftus, 1224 Seventeenth Street NW., Washington, DC 20036.

Decided: March 24, 1997.

By the Board, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,

Secretary.
