An environmental assessment (EA) is available for public review. The EA is for an application to amend the Mammoth Pool Hydroelectric Project. The application is to modify the exhibit M for the project. The exhibit M

describes recent increases in total installed capacity of the generating units. The project is located on the San Joaquin River, near Fresno, California.

The EA was written by staff in the Office of Hydropower Licensing, Federal Energy Regulatory Commission. Copies of the EA can be viewed in the Public Reference Branch, Room 1C-1, of the Commission's offices at 888 First Street, N.E., Washington DC 20426.
