### Antitrust Division

#### Proposed Final Judgment and Competitive Impact Statement; United States of America versus American Radio Systems Corporation and EZ Communications, Inc.

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)-(h), that a proposed

Final Judgment, Stipulation, and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States v. American Radio Systems and EZ Communications, Inc.* Civ. Action No. 97 CV 405. The proposed Final Judgment is subject to approval by the Court after the expiration of the statutory 60-day public comment period and compliance with the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)-(h).

Plaintiff filed a civil antitrust Complaint on February 27, 1997, alleging that the proposed acquisition of EZ Communications ("EZ") by American Radio Systems Corporation ("ARS") would violate Section 7 of the Clayton Act, 15 U.S.C. § 18. The Complaint alleges that ARS and EZ own and operate numerous radio stations throughout the United States, and that after the transaction ARS would own eight radio stations in the Sacramento, California area, including six of the 12 stations authorized and operating as Class B broadcast facilities in that area. This acquisition would give ARS half of the most competitively significant radio signals, and a significant share of the radio advertising market, including a large percentage of advertising directed to certain target audiences in Sacramento. As a result, the combination of these companies would substantially lessen competition in the sale of radio advertising time in Sacramento, California and the surrounding area.

The prayer for relief seeks: (a) Adjudication that ARS's proposed acquisition of EZ would violate Section 7 of the Clayton Act; (b) preliminary and permanent injunctive relief preventing the consummation of the proposed acquisition; (c) an award to the United States of the costs of this action; and (d) such other relief as is proper.

Shortly before this suit was filed, a proposed settlement was reached that permits ARS to complete its acquisition of EZ, yet preserves competition in the market for which the transaction would raise significant competitive concerns. A Stipulation and proposed Final Judgment embodying the settlement were filed at the same time the Complaint was filed.

The proposed Final Judgment orders defendants to divest KSSJ-FM. Unless the United States grants a time extension, defendants must divest this radio station either within six months after the filing of the Complaint, or within five (5) business days after notice of entry of the Final Judgment,
