[Docket No. RP97-303-000]

Tennessee Gas Pipeline Company; Notice of Petition for Waiver

April 2, 1997.

Take notice that on March 31, 1997, Tennessee Gas Pipeline Company (Tennessee) tendered for filing a request for a waiver of the Commission's regulations and Tennessee's tariff as necessary to permit Tennessee to continue, for an additional three month period beginning May 1, 1997 through July 31, 1997, to collect the gas supply realignment (GSR) surcharge currently in effect under tariff sheets accepted in Docket No. RP97-200.

Tennessee states that the purpose of the filing is to recover GSR costs paid, or known and measurable, at the time of this filing, at the same surcharge level

as the currently effective GSR surcharges and in a manner consistent with Section XXVI of the General Terms and Conditions of Tennessee's Fifth Revised FERC Gas Tariff.

Alternatively, in the event that the requested waivers are not granted, Tennessee submitted as part of its Fifth Revised FERC Gas Tariff the following tariff sheets to be effective May 1, 1997:

Fifteenth Revised Sheet No. 20
Fourteenth Revised Sheet No. 23
Ninth Revised Sheet No. 23B
Fifteenth Revised Sheet No. 26B

Because the five month amortization period applicable to Tennessee's GSR surcharges Docket No. RP97-200 is due to terminate on June 30, 1997—two months into the quarter covered by this filing, Tennessee is also filing herewith an original and five copies of a second set of the following tariff sheets to be effective July 1, 1997:

Sixteenth Revised Sheet No. 20
Fifteenth Revised Sheet No. 23
Tenth Revised Sheet No. 23B
Sixteenth Revised Sheet No. 26B

Tennessee states that the tariff sheets to become effective July 1, 1997 are identical to those to become effective May 1, 1997 except for a single item. The May 1, 1997 set of tariff sheets provide for the continued recovery by Tennessee through June 30, 1997 of the RP97-200 \$1.39 surcharge (through the end of the five month amortization period for those costs) while the July 1, 1997 set of tariff sheets eliminate the \$1.39 surcharge.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before April 9, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file with the Commission a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
