#### **Extension of Time Limits for Preliminary Results**

The Department of Commerce has received a request to conduct an administrative review of the antidumping duty order on industrial nitrocellulose from the People's Republic of China. On August 15, 1996, the Department initiated this administrative review covering the period July 1, 1995 through June 30, 1996.

Because of the complexity of certain issues concerning the Department's policy with respect to non-market economies, it is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act. Therefore, in accordance with that section, the Department is extending the time limits for the preliminary results to July 31, 1997, and for the final results to 120 days after the publication of the preliminary results. These extensions of time limits are in accordance with section 751(a)(3)(A) of the Act.
