Applicant's Representations

1. Applicant is a closed-end management investment company. It was organized as a Delaware corporation in 1989 for the purpose of acquiring all the outstanding voting capital stock of Medallion Funding Corp. ("MFC"), a New York corporation registered under the Act since 1981 as a closed-end investment company and licensed by the Small Business Administration ("SBA") as a Specialized Small Business Investment Company.

2. On February 3, 1989, Applicant registered under section 8(a) of the Act by filing a Form N-8A. On the same date, applicant filed a registration statement on Form N-14 under the Securities Act of 1933 to register 665,900 shares of common stock. Such registration statement became effective and applicant commenced an initial public offering of its shares on April 21, 1989.

3. Applicant's business consisted primarily of making loans through MFC and another wholly-owned subsidiary, Medallion Taxi Media, Inc. ("Media"), to finance the purchase of taxicab medallions, taxicabs and related assets by persons defined by the SBA as socially or economically disadvantaged. After 1992, several trends affecting the finance industry in general and applicant in particular had combined to produce lower yields on applicant's loan portfolio and corresponding smaller shareholder returns.

4. Applicant's management pursued several alternatives to resolve these ongoing problems. Management first considered raising additional capital through an offering of applicant's common stock. Then, after receiving a uniformly negative response to any such offering in meetings with investment bankers, the board of directors directed management to pursue efforts to sell

applicant. Management did not succeed, however, in obtaining any offer to buy applicant at any price.

5. Subsequently, in January 1995, management began to consider a purchase of applicant and, in May 1995, submitted a proposal to applicant's board that involved the acquisition of applicant and certain other similar companies by Medallion Financial Corp. ("Medallion"). Medallion, a business development company under the Act, was organized in 1995 for the purpose of acquiring applicant and such other companies. Medallion proposed to acquire all of applicant's outstanding shares in a cash merger at a price of \$20 per share.

6. In August 1995, an independent committee of applicant's board engaged Gruntal & Co., Inc. ("Gruntal"), to evaluate the fairness of Medallion's proposal. Gruntal provided its opinion, by letter dated October 11, 1995, that the terms of the proposed merger were fair to applicant and its shareholders. Using discounted cash flow and other analyses, Gruntal valued applicant's shares at between \$19.57 and \$27.79, before applying a discount of up to 30% to account for the limited trading market for applicant's common stock and other items.

7. Based on their review of Gruntal's opinion, the independent directors recommended that applicant's board approve an Agreement of Merger (the "Agreement") with Medallion. At a meeting on October 18, 1995, applicant's full board approved the Agreement, which was executed on December 21, 1995.

8. As of March 31, 1996, applicant had 668,900 shares of common stock outstanding and a net asset value of \$17,505,681, or \$26.17 per share. Applicant states that such valuation omits the effect of an arrangement with the SBA under which applicant in 1995 had repurchased its preferred stock owned by the SBA at a substantial discount. Under this arrangement, the SBA retained a liquidating interest based on the amount of the discount, which initially amounted to more than \$6 million, or approximately \$9.00 per share. Applicant treated the full amount of the discount, which was amortizable over a five year period, as an increase in capital. In connection with the merger, Medallion agreed to assume liability for any payment due on the liquidating interest. Accordingly, when the liquidating interest is considered, applicant asserts that the \$20 per share merger price for its shares is greater than its net asset value per share.

9. In April 1996, the board renegotiated the Agreement to permit

applicant's payment of an additional dividend of \$0.50 per share to its shareholders plus the accumulated earnings, if any, of Media. Consummation of the merger was conditioned on, among other things, approval by a majority of applicant's shareholders and by certain governmental agencies and other third parties, including the SEC and SBA.

10. On May 21, 1996, Medallion, MFC, applicant and two individual affiliates of both Medallion and applicant obtained an SEC order under sections 6(c), 17(b) and 57(c) of the Act granting exemptions from various provisions of the Act and permitting certain joint transactions in connection with the proposed merger. Proxy materials concerning the merger were filed with the SEC and distributed to applicant's shareholders. At a meeting on May 22, 1996, by resolution adopted by 80% of shareholders, applicant's shareholders approved the merger with Medallion.

11. On May 29, 1996, pursuant to the terms of the Agreement, applicant merged with and into Medallion. In connection with the merger, applicant distributed to shareholders an amount from current earnings sufficient to preserve its tax status and transferred to Medallion its only assets, consisting of the securities of MFC and Media. In exchange, applicant's shareholders received \$20 per share in cash and the right to receive the two additional dividend distributions provided for under the Agreement. These dividends were paid on July 8 and August 22, 1996, respectively, in the amounts of \$0.50 and \$0.31 per share.

12. Applicant and Medallion each bore their respective costs and expenses incurred in negotiating and entering into the Agreement and thereafter consummating the merger. The Agreement required applicant to pay or reimburse Medallion for up to the lesser of \$200,000 or one-third of the aggregate amount of certain "joint" expenses, such as legal, accounting and filing fees, incurred in connection with the merger. It was estimated before the merger that these expenses would exceed \$600,000, and they in fact exceeded \$1 million. Accordingly, applicant reimbursed Medallion for the full \$200,000.

13. On May 29, 1996, a certificate of merger was filed with the Secretary of State of Delaware, pursuant to which applicant was merged with and into Medallion, with Medallion being the surviving corporation.

14. Applicant has no assets, or any debts or other liabilities. There are no shareholders of applicant to whom distributions in complete liquidation of

their interests have not been made, and applicant has no remaining shareholders. Applicant is not a party to any litigation or administrative proceeding.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

Historic Hotel Holdings, Inc.; Order of Suspension of Trading

April 10, 1997.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Historic Hotel Holdings, Inc. ("HHH"), because of questions regarding, among other things, HHH's alleged ownership of and plans to renovate, or current efforts to acquire, a hotel; in what market HHH's securities are traded; and HHH's alleged acquisition of a company purportedly engaged in a business connected to the oil and gas industry.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above-listed company is suspended for the period from 9:30 a.m. EDT, April 10, 1997 through 11:59 p.m. EDT, on April 23, 1997.

By the Commission.

Margaret H. McFarland,

Deputy Secretary.
