DEPARTMENT OF TRANSPORTATION**Office of the Secretary****Privacy Act; Systems of Records; General Routine Uses**

AGENCY: Office of the Secretary, DOT.

ACTION: Establishment of General Routine Use.

SUMMARY: DOT establishes under the Privacy Act of 1974 a General Routine Use applicable to all DOT systems of records to facilitate implementation of the Brady Handgun Violence Prevention Act.

DATES: This use takes effect May 14, 1997.

FOR FURTHER INFORMATION CONTACT: Robert I. Ross, Office of the General Counsel, C-10, Department of Transportation, Washington, DC 20590, telephone (202) 366-9156, FAX (202) 366-9170.

SUPPLEMENTARY INFORMATION: The Brady Handgun Violence Prevention Act (Pub. L. 103-159, November 30, 1993) provides for a National Instant Criminal Background Check System that a firearms licensee must contact before transferring any firearm to a nonlicensed individual, in order to determine whether that nonlicensed individual is disqualified from receiving, possessing, shipping, or transporting a firearm. DOT, as an agency of the Federal Government, is required by the statute to provide to the Attorney General of the United States, upon request, any information that it possesses that indicates that a person may be prohibited by the statute from receiving, possessing, shipping, or transporting a firearm. Inter-agency transfers of information of this type are regulated by the Privacy Act. To facilitate compliance with the Brady Act and provide additional notice to the public, DOT is establishing a Routine Use Number 10, applicable to all of its Privacy Act Systems of Records. Public comment was invited (February 6, 1997; 62 FR 5663), but none was received, and the proposed Routine Use is being published without change. Accordingly, DOT establishes General Routine Use Number 10, to read as follows:

Department of Transportation*General Routine Uses Under the Privacy Act of 1974*

The following routine uses apply, except where otherwise noted or where obviously not appropriate, to each system of records maintained by the Department of Transportation (DOT).
