

design methodology and an incremental cost of service. Transco states that it specifically reserves the right to file for approval of rolled-in rates for the Pocono Expansion Project in a future Section 4 rate proceeding and to demonstrate in such proceeding the significant system benefits resulting from this project.

Transco states that the proposed facilities will cost an estimated \$9.8 million, as detailed in Exhibit K of the application. Transco states that the construction and operation of the proposed loop will not have a significant impact on the quality of the human health or on the environment. In order to meet the firm 1997 market requirements of the two Pocono Expansion Project shippers, Transco requests that the Commission grant all necessary final authorizations by July 1, 1997. It is stated that this schedule will enable Transco to meet the in-service date of November 1, 1997, requested by the shippers.

Any person desiring to be heard or to make any protest with reference to said application should on or before April 30, 1997, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CAR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held with further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be

unnecessary for Transco to appear or be represented at the hearing.

[Project Nos. 1984-056 and 11162-002]

#### Wisconsin River Power Co. and Wisconsin Power & Light Co.; Notice Granting Extension of Time

April 9, 1997.

On December 31, 1996, the Notices of Application Ready for Environmental Analysis (NREA) for the Petenwell/Castle Rock and the Prairie du Sac Projects (Nos. 1984-056 and 11162-002) were issued in the **Federal Register** (62 FR 990 and 992, January 7, 1997). The NREA solicited all comments, recommendations, terms and conditions, and prescriptions concerning these two projects be filed with the Commission by February 28, 1997. All reply comments were to be filed with the Commission by April 14, 1997.

In a letter to the Commission dated February 14, 1997, the Wisconsin Department of Natural Resources (DNR) requested an extension of time to comment on the NREA for the Prairie du Sac Project. By letter dated February 27, 1997, the request was granted, and the comment period for the two license applications was extended to March 31, 1997.

The date to file reply comments with the Commission is extended until May 15, 1997.

If you have any questions about this matter, please contact Frank Karwoski at (202) 219-2782.
