**Willamette Industries, Incorporated, Dallas, OR, Notice of Affirmative Determination Regarding Application for Reconsideration**

By letter of February 4, 1997, the Oregon AFL-CIO together with the Western Council of Industrial Workers Local #2714, United Brotherhood of Carpenters and Joiners of America, requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for NAFTA-Transitional Adjustment Assistance applicable to workers of the subject firm. The denial notice was signed on January 21, 1997, and published in the **Federal Register** on February 13, 1997 (62 FR 6804).

The petitioner presents evidence that the Department's survey of customers of Willamette Industries was incomplete.

On March 17, 1997, the Department issued a Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance applicable to the workers of Willamette Industries, Incorporated, Plywood Division, Dallas, Oregon. The notice will soon be published in the **Federal Register**. The Department has determined that in this case, the evidence presented in the request for reconsideration of the NAFTA petition is also applicable to the TAA petition. Therefore, this notice has been expanded to include the TAA petition.

**Conclusion**

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 24th day of March 1997.

**Ansewn Shoe Company, Bangor, ME; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on March 18, 1997, applicable to all workers of Ansewn Shoe Company located in Bangor, Maine. The notice will soon be published in the **Federal Register**.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New findings show that the Department incorrectly set the impact date at January 16, 1996. The workers at the subject firm were covered under an earlier certification, TA-W-30,230, which did not expire until October 27, 1996. To avoid a coverage overlap for the same group of workers at Ansewn Shoe, the Department is amending the current certification to insert the new impact date of October 27, 1996.

The amended notice applicable to TA-W-33,158 is hereby issued as follows:

All workers of Ansewn Shoe Company, Bangor, Maine, who became totally or partially separated from employment on or after October 27, 1996 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 28th day of March 1997.
