[NAFTA-01397 Cartersville, Georgia, and NAFTA-01397A Atlanta, Georgia]

#### Atlantic Steel Industries, Incorporated; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification of Eligibility to Apply for NAFTA Transitional Adjustment Assistance on February 11, 1997, applicable to all workers of Atlantic Steel Industries, Incorporated located in Cartersville, Georgia. The notice was published in the Federal Register on March 12, 1997 (62 FR 11473).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New findings show that worker separations have occurred at the subject firm's Atlanta plant also in Georgia. The workers are engaged in employment related to the production of steel billets, bars, rods, and flats.

The intent of the Department's certification is to include all workers of Atlantic Steel Industries Incorporated who were affected by increased imports from Mexico or Canada. Accordingly, the Department is amending the worker certification to include the workers of Atlantic Steel Industries Incorporated, Atlanta, Georgia.

The amended notice applicable to NAFTA-01397 is hereby issued as follows:

All workers of Atlantic Steel Industries, Inc., Cartersville, Georgia (NAFTA-01397) and Atlanta, Georgia (NAFTA-01397A), who became totally or partially separated from employment on or after December 13,

1995 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 4th day of April 1997.

[NAFTA-01436]

#### Binks Sames Corporation, Franklin Park, IL; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA-Transitional Adjustment Assistance on March 12, 1997, applicable to workers of Binks Sames Corporation located in Franklin Park, Illinois. The notice was published in the **Federal Register** on March 31, 1997 (62 FR 15200).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of spray booths and other paint spraying equipment. Findings show that the Department incorrectly set the worker certification impact date at January 7, 1997. The impact date should be January 7, 1996, one year prior to the date of the petition. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to NAFTA-01436 is hereby issued as follows:

All workers of Binks Sames Corporation, Franklin Park, Illinois who were engaged in employment related to the production of spray booths who became totally or partially separated from employment on or after January 7, 1996, are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 3d day of April, 1997.

[NAFTA-01334]

#### Wright-Bernet, Inc. Division of Ekco, Group Inc., Hamilton, OH; Notice of Termination of Certification

This notice terminates the Certification Regarding Eligibility To Apply for Worker Adjustment Assistance issued by the Department on December 16, 1996, for all workers of Wright-Bernet, Inc., Division of Ekco Group Inc. located in Hamilton, Ohio. The notice of certification was published in the **Federal Register** on December 31, 1996 (61 FR 69110).

At the request of the State agency, the Department reviewed the certification for workers of Wright-Bernet, Inc. Workers of the subject firm produced brooms, brushes, and mops. When the worker certification was issued it was determined that the requirements of (a)(1)(B) of section 250 were met. The company was shifting production of brushes, brooms, and mops from the workers' firm to Mexico.

New information provided by the company reveals that the Ekco Group will not shift production to Mexico as originally planned. Ekco Group will consolidate their Easthampton, Massachusetts production into the Hamilton, Ohio location. The consolidation will result in increased employment.

Since there are no adversely affected workers of the subject firm, the continuation of the certification would serve no purpose and the certification has been terminated.

Signed at Washington, D.C., this 24th day of March 1997.
