DEPARTMENT OF THE INTERIOR**Office of Surface Mining Reclamation and Enforcement****Notice of Proposed Information Collection**

AGENCY: Office of Surface Mining Reclamation and Enforcement.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing that the information collection request for the title described below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The information collection request describes the nature of the information collection and the expected burden and cost.

DATES: Comments must be submitted on or before April 15, 1997, to be assured of consideration.

FOR FURTHER INFORMATION CONTACT: To request a copy of the information collection request, explanatory information and related form, contact John A. Trelease at (202) 208-2783.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB)

regulations at CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). OSM has submitted a request to OMB to renew its approval of the collection of information found at 30 CFR Part 795, Small operator assistant. OSM is requesting a 3-year term of approval for this information collection activity.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information is listed in 30 CFR Part 795, which is 1029-0061.

As required under 5 CFR 1320.8(d), a **Federal Register** notice soliciting comments on these collections of information was published on January 17, 1997 (62 FR 2683). No comments were received. This notice provides the public with an additional 30 days in which to comment on the following information collection activity:

Title: Small Operator Assistance.

OMB Control Number: 1029-0061.

Summary: This information collection requirement is needed to provide assistance to qualified small mine operator under section 507(c) of P.L. 96-87. The information requested will provide the regulatory authority with data to determine the eligibility of the applicant and the capability and expertise of laboratories to perform required tasks.

Bureau Form Number: FS-6.

Frequency of Collection: On Occasion.

Description of Respondents: Small operators and State regulatory authorities.

Total Annual Responses: 300.

Total Annual Burden Hours: 12,140 hours.

Send comments on the need for the collection of information for the performance of the functions of the agency; the accuracy of the agency's burden estimates; ways to enhance the quality, utility and clarity of the information collection; and ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information, to the following address. Please refer to the appropriate OMB control number in all correspondence.

ADDRESSES: Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Department of Interior Desk Officer, 725 17th Street, NW, Washington, DC 20503.

Dated: April 9, 1997.

Richard G. Bryson,

Acting Chief, Division of Regulatory Support.
