

tools and models employed in the DoD internal DAWMS effort. Specifically, the Task Force will (1) assess the analysis developed in part one of the study, (2) evaluate the soundness of the analytic approach proposed for part two, and (3) review the alternatives—developed in part two to ensure that they are balanced and representative.

In accordance with Section 10(d) of the Federal Advisory Committee Act, P.L. No. 92-463, as amended (5 U.S.C. App. II, (1994)), it has been determined that this DSB Task Force meeting concerns matters listed in 5 U.S.C. § 552b(c)(1) (1994), and that accordingly this meeting will be closed to the public.

Official mailing addresses are published as an appendix to the Navy's compilation of system of record notices.'

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Delete entry and replace with 'All Department of the Navy military personnel and civilian employees and certain 'affiliated employees' whose duties require a DON security clearance or assignment to sensitive positions and aliens being processed for access to National Security information. Also included are DON adjudicative actions for all U.S. Coast Guard (USCG) military personnel whose duties require a USCG security clearance and those USCG

civilian employees having access to sensitive compartmented information only. Individuals adjudicated as a result of interservice and interagency support agreements. 'Affiliated employees' include contractors, consultants, nonappropriated fund employees, USO personnel and Red-Cross volunteers and staff.'

CATEGORIES OF RECORDS IN THE SYSTEM:

Delete entry and replace with 'Navy Joint Adjudicative and Clearance System (NJACS), the automated portion of this system, contains records that include an individual's name, Social Security Number, date and place of birth, citizenship status and the unit identification code (UIC) of the individual's assignment. Other data elements track the individual's status in the clearance adjudication process and records the final determination. Data files may also include duty-assignment designations and sensitivity levels, as well as specific access such as cryptographic information access or participation in the Personnel Reliability Program.'

The documentation system includes information pertaining to the investigation, inquiry, or its adjudication by clearance authority to include: (1) chronology of the investigation, inquiry, and/or adjudication; (2) all recommendations regarding future status of subject; (3) decisions of security/loyalty review boards and Defense Office of Hearings and Appeals (DOHA); (4) final actions/determinations made regarding subject; and (5) security clearance, access authorizations, or security determination; index tracings that contain aliases and names of subject as reflected in Defense Clearance and Investigations Index (DCII) under system notice V5-02; security termination; notification of denial, suspension, or revocation of clearance or access; classified nondisclosure agreements created from 1987 to early 1992 and managed by DON CAF; and other documentation related to the adjudication decision.

At local command security offices information includes tickler copies of requests for clearance and access; records of access, reports of disqualifying/derogatory information; records of clearance of individual personnel as well as accreditation of personnel for access to classified information requiring special access authorizations; nondisclosure agreements, associated briefings and debriefing statements; and other related records supporting the Personnel Security Program.'

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Delete entry and replace with '5 U.S.C. 301, Departmental Regulations; 5 U.S.C. 7311; 10 U.S.C. 5013; and E.O. 9397 (SSN); E.O. 10450, Security Requirements for Government Employees, in particular sections 2, 3, 4, 5, 6, 7, 8, 9, and 14; 12958, Classified National Security Information; 12968, Access to Classified Information; DoD Regulation 5200.2-R, Personnel Security Program Regulation; and OPNAV Instruction 5510.1H, Department of Navy Information and Personnel Security Program Regulation.'

PURPOSE(S):

Delete entry and replace with 'To provide a comprehensive system to manage information required to adjudicate and document the eligibility of DON military, civilian, and certain affiliated employees for access to classified information and assignment to sensitive positions. These records are also used to make determinations of suitability for promotion, employment, or assignments.'

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

Add to the entry 'To the White House to obtain approval of the President of the United States regarding certain military personnel officer actions as provided for in DoD Instruction 1320.4.

To the Immigration and Naturalization Service for use in alien admission and naturalization inquiries for purposes of determining access to National Security information.'

* * * * *

STORAGE:

Delete entry and replace with 'Maintained on paper records in file folders, audio or audiovisual tapes, micro-imaging; CD-ROM; optical digital data disk; computers; magnetic tapes, disks, and drums; and computer output products.'

* * * * *

SAFEGUARDS:

Delete entry and replace with 'Buildings employ alarms, security guards, and/or rooms are security controlled areas accessible only to authorized persons. DON CAF primary system paper and microfilm records are maintained in General Service Administration approved security containers and/or are stored in security controlled areas accessible only to authorized persons. Locally generated paper security records and/or copies of investigative reports are stored in a vault, safe, or steel file cabinet having at

least a lock bar and approved three-position, dial type combination padlock, or in similarly protected containers or area. Electronically and optically stored records are maintained in 'fail-safe' system software with password protected access. Records are accessible only to authorized persons with a need-to-know who are properly screened, cleared, and trained.

Files transferred to NCIS Records Management Division for storage are monitored and stored on open shelves and filing cabinets located in secure areas accessible to only authorized personnel.'

RETENTION AND DISPOSAL:

Delete entry and replace with 'Investigative/adjudicative records on non-DoD persons who are considered for affiliation with DoD are destroyed after 1 year if affiliation is not completed.'

Investigative/DON CAF adjudicative records of a routine nature are retained in the active file until final adjudicative decision is made; then retired to NCIS Records Management Division and retained for 15 years after last action reflected in the file, except that files that contain significant derogatory information and/or resulted in adverse action(s) against the individual are destroyed after 25 years. Administrative papers not included in the case file are destroyed 1 year after closure or when no longer needed, whichever is later. Records determined to be of historical value, of wide spread value or Congressional interest are permanent. They will be retained for 25 years after the date of last action reflected in the file and then permanently transferred to the National Archives. Classified nondisclosure agreements if maintained separately from the individual's official personnel folder will be destroyed when 70 years old. If maintained in the individual's personnel folder, the disposition for the official personnel file applies. Locally stored case file paper or automated access records are destroyed when employee/service member is separated or departs the command, except for access determinations not recorded in official personnel folders. They are destroyed 2 years after the person departs the command. However, once affiliation is terminated, acquiring and adding material to the file is prohibited unless affiliation is renewed. The automated NJACS maintains records on persons as long as they continue to be employed by or affiliated with the DON. NJACS computer data records are purged two years after an individual terminates DON employment or affiliation. General and flag officer

data records are maintained until the individual's death. Destruction of records will be by shredding, burning, or pulping for paper records; burning for microform records and magnetic erasing for computerized records. Optical digital data and CD-ROM records are destroyed as required by NAVSO P0952390926, 'Remanence Security Guidebook' of September 1993.'

Annex, Washington, DC 20380-0001; and, the security office at the local activity to which the individual is assigned. Official mailing addresses are published as an appendix to the Navy's compilation of system of record notices.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

All Department of the Navy military personnel and civilian employees and certain 'affiliated employees' whose duties require a DON security clearance or assignment to sensitive positions and aliens being processed for access to National Security information. Also included are DON adjudicative actions for all U.S. Coast Guard (USCG) military personnel whose duties require a USCG security clearance and those USCG civilian employees having access to sensitive compartmented information only. Individuals adjudicated as a result of interservice and interagency support agreements. 'Affiliated employees' include contractors, consultants, nonappropriated fund employees, USO personnel and Red-Cross volunteers and staff.

CATEGORIES OF RECORDS IN THE SYSTEM:

Navy Joint Adjudicative and Clearance System (NJACS), the automated portion of this system, contains records that include an individual's name, Social Security Number, date and place of birth, citizenship status and the unit identification code (UIC) of the individual's assignment. Other data elements track the individual's status in the clearance adjudication process and records the final determination. Data files may also include duty-assignment designations and sensitivity levels, as well as specific access such as cryptographic information access or participation in the Personnel Reliability Program.

The documentation system includes information pertaining to the investigation, inquiry, or its adjudication by clearance authority to include: (1) chronology of the investigation, inquiry, and/or adjudication; (2) all recommendations regarding future status of subject; (3) decisions of security/loyalty review boards and Defense Office of Hearings and Appeals (DOHA); (4) final actions/determinations made regarding subject; and (5) security clearance, access authorizations, or security determination; index tracings that contain aliases and names of subject as reflected in Defense Clearance and Investigations Index (DCII) under system notice V5-02; security termination; notification of denial,

suspension, or revocation of clearance or access; classified nondisclosure agreements created from 1987 to early 1992 and managed by DON CAF; and other documentation related to the adjudication decision.

At local command security offices information includes tickler copies of requests for clearance and access; records of access, reports of disqualifying/derogatory information; records of clearance of individual personnel as well as accreditation of personnel for access to classified information requiring special access authorizations; nondisclosure agreements, associated briefings and debriefing statements; and other related records supporting the Personnel Security Program.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

5 U.S.C. 301, Departmental Regulations; 5 U.S.C. 7311; 10 U.S.C. 5013; and E.O. 9397 (SSN); E.O. 10450, Security Requirements for Government Employees, in particular sections 2, 3, 4, 5, 6, 7, 8, 9, and 14; 12958, Classified National Security Information; 12968, Access to Classified Information; DoD Regulation 5200.2-R, Personnel Security Program Regulation; and OPNAV Instruction 5510.1H, Department of Navy Information and Personnel Security Program Regulation.

PURPOSE(S):

To provide a comprehensive system to manage information required to adjudicate and document the eligibility of DON military, civilian, and certain affiliated employees for access to classified information and assignment to sensitive positions. These records are also used to make determinations of suitability for promotion, employment, or assignments.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

To the White House to obtain approval of the President of the United States regarding certain military personnel officer actions as provided for in DoD Instruction 1320.4.

To the Immigration and Naturalization Service for use in alien admission and naturalization inquiries for purposes of determining access to National Security information.

The 'Blanket Routine Uses' that appear at the beginning of the Navy's

compilation of systems notices apply to this system.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Maintained on paper records in file folders, audio or audiovisual tapes, micro-imaging; CD-ROM; optical digital data disk; computers; magnetic tapes, disks, and drums; and computer output products.

RETRIEVABILITY:

By name, dossier number, Social Security Number, and date and place of birth.

SAFEGUARDS:

Buildings employ alarms, security guards, and/or rooms are security controlled areas accessible only to authorized persons. DON CAF primary system paper and microfilm records are maintained in General Service Administration approved security containers and/or are stored in security controlled areas accessible only to authorized persons. Locally generated paper security records and/or copies of investigative reports are stored in a vault, safe, or steel file cabinet having at least a lock bar and approved three-position, dial type combination padlock, or in similarly protected containers or area. Electronically and optically stored records are maintained in 'fail-safe' system software with password protected access. Records are accessible only to authorized persons with a need-to-know who are properly screened, cleared, and trained.

Files transferred to NCIS Records Management Division for storage are monitored and stored on open shelves and filing cabinets located in secure areas accessible to only authorized personnel.

RETENTION AND DISPOSAL:

Investigative/adjudicative records on non-DoD persons who are considered for affiliation with DoD are destroyed after 1 year if affiliation is not completed.

Investigative/DON CAF adjudicative records of a routine nature are retained in the active file until final adjudicative decision is made; then retired to NCIS Records Management Division and retained for 15 years after last action reflected in the file, except that files that contain significant derogatory information and/or resulted in adverse action(s) against the individual are destroyed after 25 years. Administrative papers not included in the case file are destroyed 1 year after closure or when

no longer needed, whichever is later. Records determined to be of historical value, of wide spread value or Congressional interest are permanent. They will be retained for 25 years after the date of last action reflected in the file and then permanently transferred to the National Archives. Classified nondisclosure agreements if maintained separately from the individual's official personnel folder will be destroyed when 70 years old. If maintained in the individual's personnel folder, the disposition for the official personnel file applies. Locally stored case file paper or automated access records are destroyed when employee/service member is separated or departs the command, except for access determinations not recorded in official personnel folders. They are destroyed 2 years after the person departs the command. However, once affiliation is terminated, acquiring and adding material to the file is prohibited unless affiliation is renewed. The automated NJACS maintains records on persons as long as they continue to be employed by or affiliated with the DON. NJACS computer data records are purged two years after an individual terminates DON employment or affiliation. General and flag officer data records are maintained until the individual's death. Destruction of records will be by shredding, burning, or pulping for paper records; burning for microform records and magnetic erasing for computerized records. Optical digital data and CD-ROM records are destroyed as required by NAVSO P0952390926, 'Remanence Security Guidebook' of September 1993.

SYSTEM MANAGER(S) AND ADDRESS:

Director, Department of the Navy Central Adjudication Facility, Washington Navy Yard, Building 176, Room 308, Washington, DC 20388-5089.

NOTIFICATION PROCEDURE:

Individuals seeking to determine whether this system of records contains information about themselves should address written inquiries to the Director, Department of the Navy Central Adjudication Facility, Washington Navy Yard, Building 176, Room 308, Washington, DC 20388-5389 or to the Commanding Officer/Director of the activity in question. Official mailing addresses are published as an appendix to the Navy's compilation of systems of records notices.

Individuals requesting personal records must properly establish their identity to the satisfaction of the Director, Navy Central Adjudication Facility or the Commanding Officer/

BILLING CODE 5000-40-F

DEPARTMENT OF EDUCATION

Federal Interagency Coordinating Council Meeting (FICC)

AGENCY: Federal Interagency Coordinating Council, Education.

ACTION: Notice of a public meeting.

SUMMARY: This notice describes the schedule and agenda of a forthcoming meeting of the Federal Interagency Coordinating Council. Notice of this meeting is required under section 685[©] of the Individuals with Disabilities Education Act, as amended, and is intended to notify the general public of their opportunity to attend the meeting. The meeting will be accessible to individuals with disabilities.

DATE AND TIME: May 15, 1997, from 1:00 p.m. to 4:30 p.m.

ADDRESSES: Wilbert J. Cohen Building, Room 5051 (Snow Room), 330 Independence Avenue, S.W., Washington, D.C. 20202.

FOR FURTHER INFORMATION CONTACT: Connie Garner, U.S. Department of Education, 600 Independence Avenue,

S.W., Room 3127, Switzer Building, Washington, DC 20202-2644. Telephone: (202) 205-8124. Individuals who use a telecommunications device for the deaf (TDD) may call (202) 205-8170.

SUPPLEMENTARY INFORMATION: The Federal Interagency Coordinating Council (FICC) is established under section 685 of the Individuals with Disabilities Education Act, as amended (20 U.S.C. 1484a). The Council is established to: (1) Minimize duplication across Federal, State and local agencies of programs and activities relating to early intervention services for infants and toddlers with disabilities and their families and preschool services for children with disabilities; (2) ensure effective coordination of Federal early intervention and preschool programs, including Federal technical assistance and support activities; and (3) identify gaps in Federal agency programs and services and barriers to Federal interagency cooperation. To meet these purposes, the FICC seeks to: (1) identify areas of conflict, overlap, and omissions in interagency policies related to the provision of services to infants, toddlers, and preschoolers with disabilities; (2) develop and implement joint policy interpretations on issues related to infants, toddlers, and preschoolers that cut across Federal agencies, including modifications of regulations to eliminate barriers to interagency programs and activities; and (3) coordinate the provision of technical assistance and dissemination of best practice information. The FICC is chaired by the Assistant Secretary for Special Education and Rehabilitative Services.

At this meeting the FICC plans to discuss issues related to the scope and limits of public entitlement, in light of new treatments and/or intervention options for young children.

The meeting of the FICC is open to the public. Written public comment will be accepted at the conclusion of the meeting. These comments will be included in the summary minutes of the meeting. The meeting will be physically accessible with meeting materials provided in both braille and large print. Interpreters for persons who are hearing impaired will be available. Individuals with disabilities who plan to attend and need other reasonable accommodations should contact the contact person named above in advance of the meeting.

Summary minutes of the FICC meetings will be maintained and available for public inspection at the U.S. Department of Education, 600 Independence Avenue, S.W., Room 3127, Switzer Building, Washington, DC

20202-2644, from the hours of 9:00 a.m. to 5:00 p.m., weekdays, except Federal Holidays.

BILLING CODE 4000-01-M

DEPARTMENT OF ENERGY

Notice of Floodplain and Wetlands Involvement for the Weldon Spring Site

AGENCY: Office of Environmental Management, DOE.

ACTION: Notice of floodplain and wetlands involvement.

SUMMARY: The U.S. Department of Energy (DOE) is proposing to conduct a removal action at the Weldon Spring Site to remove radiologically and chemically contaminated sediment from an intermittent stream located in St. Charles County, Missouri. The proposed action will protect human health and the environment. The stream channel contains a number of small wetlands and a portion of the stream is located within the Missouri River 100-year floodplain. In accordance with 10 CFR Part 1022, DOE will prepare a floodplain and wetlands assessment and will perform this proposed action in a manner so as to avoid or minimize potential harm to or within the affected floodplain and wetlands.

DATES: Comments are due to the address below no later than May 1, 1997.

ADDRESSES: Comments should be addressed to Mr. Steve McCracken, U.S. Department of Energy, Weldon Spring Site Remedial Action Project, 7295 Highway 94 South, St. Charles, MO 63304. Comments may be faxed to (314) 447-0739.

FOR FURTHER INFORMATION ON THIS PROPOSED ACTION, CONTACT:

Mr. Steve McCracken, U.S. Department of Energy, Weldon Spring Site Remedial Action Project, 7295 Highway 94 South, St. Charles, MO 63304, (314) 441-8978.

FOR FURTHER INFORMATION CONTACT:

Carol M. Borgstrom, Director, Office of NEPA Policy and Assistance, EH-42, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington, D.C. 20585, (202) 586-4600 or (800) 472-2756.

SUPPLEMENTARY INFORMATION: The DOE is conducting response actions at its Weldon Spring Site under the direction of the DOE Office of Environmental Management. The Weldon Spring Site is located in St. Charles County, Missouri,
