DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4207-C-02]

NOFA for Rental Assistance for Persons With Disabilities in Support of Designated Housing Allocation Plans and Establishment of Preferences for Certain Section 8 Developments; Correction

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice of funding availability (NOFA); correction.

SUMMARY: On April 10, 1997, at 62 FR 17672, the Department published a Notice of Funding Availability (NOFA) part of which concerned Rental Assistance for Persons With Disabilities in Support of Preferences for Certain Section 8 Developments. The limit on rental assistance requested, as contained in that NOFA, inadvertently omitted the maximum number of units for which an HA could apply. The following correction adds a 200 unit limitation.

In the notice document 97-9334, beginning on page 17672 in the issue of Thursday, April 10, 1997, make the following correction:

On page 17674 in the second and third columns the paragraph headed "(3) Limit on Rental Assistance Requested" should be changed to read:

(3) Limit on Rental Assistance Requested. An HA may apply only for the number of units needed to house those non-elderly disabled families who are on the waiting list of an owner of a Section 8 project-based development, identified in paragraph B.(1) above where the owner elected to provide preferences to elderly families and to house other non-elderly disabled families residing in the community who would qualify for one- or zero-bedroom units, but for not more than 200 units.

Dated: April 11, 1997.

Camille E. Acevedo,

Assistant General Counsel for Regulations.
