

IV. Public Record

The Agency encourages parties to submit data to substantiate comments whenever possible. All comments, as well as information gathered at the public meeting will be available for public inspection from 8:30 am to 4 pm, Monday through Friday (except legal holidays), at the Public Response and Program Resource Branch, Field Operations Division, Rm. 1132, Crystal Mall #2, 1921 Jefferson Davis Highway, Arlington, VA 22202.

Information submitted as part of any comment may be claimed as confidential by marking any or all of that information as CBI. Information so marked will not be disclosed except in accordance with the procedures set forth in 40 CFR part 2. A copy of the comment that does not contain CBI must be submitted for inclusion in the public record. Information not marked confidential may be disclosed publicly by the Agency without prior notice to the submitted. The Agency anticipates that most of the comments will not be classified as CBI, and prefers that all information submitted be publicly available. Any records or transcripts of the open meeting will be considered public information and cannot be declared CBI.

V. Structure of the Meeting

EPA will open the meeting with brief introductory comments. EPA will then invite those parties who have registered by May 14 to make their presentations. Those who register the day of the meeting will be offered the opportunity to present their comments if time permits. EPA anticipates that each speaker will be permitted about 10 minutes to make comments. After each speaker, Agency representatives may ask the presenter questions of clarification. The Agency reserves the right to adjust the time for presenters depending upon the number of speakers.

Members of the public are encouraged to submit written documentation to EPA at or before the meeting to ensure that their entire position goes on record in the event that time does not permit a complete oral presentation. Written comments should include the name and address of the author as well as any sources used. Written documentation should be submitted to Michael L. Mendelsohn at the address stated earlier in this notice.
