

the entire station, and (2) one delivery/receipt point located at the eastern terminus of Main Line No. 68. Both facilities are located in Colorado. Questar states that as of September 30, 1996 the gross book value of facilities proposed to be abandoned by removal totaled \$420,279.

Questar states that the proposed transfer will not adversely affect its ability to continue to provide jurisdictional open access transportation and storage service to its transportation and storage customers.

Any person desiring to be heard or to make any protest with reference to said application should on or before May 6, 1997, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Questar to appear or be represented at the hearing.

#### Texas-Ohio Pipeline, Inc.; Notice of Proposed Changes in FERC Gas Tariff

April 15, 1997.

Take notice that on April 10, 1997, Texas-Ohio Pipeline, Inc. (Texas-Ohio), tendered for filing to become part of its FERC Gas Tariff, Original Volume No. 1, the revised tariff sheets listed in on Appendix A to the filing, to be effective June 1, 1997.

Texas-Ohio states that the purpose of this compliance filing is to conform Texas-Ohio's tariff to the requirements of Order No. 587.

Texas-Ohio further states that copies of this filing have been served on Texas-Ohio's historic customers and public bodies.

Any person desiring to protest should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Regulations. All such protests must be filed on or before April 30, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

#### Transwestern Pipeline Company; Notice of Compliance Filing

April 15, 1997.

Take notice that on April 10, 1997, Transwestern Pipeline Company (Transwestern), tendered for filing to become part of Transwestern's FERC Gas Tariff, the following tariff sheets, proposed to be effective April 1, 1997.

#### Second Revised Volume No. 1

2 Substitute Twelfth Revised Sheet No. 80

## Reason for Filing

Transwestern states that the instant filing is to (i) change the General Terms and Conditions of Transwestern Pipeline Company's tariff to eliminate the requirement that nominations are to be communicated using Electronic Transmission; and (ii) identify the data elements, as set forth in Attachment A hereto, which have been designated by Transwestern as mutually agreeable (MA) and business conditional (BC).

Transwestern states that copies of the filing were served upon Transwestern's customers and interested State Commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken in this proceeding, but will not serve to make Protestant a party to the proceeding. Copies of this filing are on file with the Commission and are available for inspection.
