DEPARTMENT OF HEALTH AND HUMAN SERVICES**Substance Abuse and Mental Health Services Administration****Supplemental Awards for Women and Children's Residential Treatment Program Grantees**

AGENCY: Center for Substance Abuse Treatment (CSAT), Substance Abuse and Mental Health Services Administration (SAMHSA), HHS.

ACTION: Availability of Supplemental Funds for Currently Funded Grantees in CSAT Woman and Children's Program for Pregnant and Postpartum Women (PPW) and Residential Treatment Program for Women and their Children (RWC).

SUMMARY: This notice is to inform the public that CSAT is making available approximately \$1.5 million for supplemental awards in FY 1997 to existing PPW and RWC grantees in the Women and Children's Program to expand and/or enhance services for children. Competition is being limited to the 53 currently funded PPW and RWC grantees with at least one year of funding remaining as of September 30, 1997 (as reflected on the current Notice of Grant Award). Given the necessarily short implementation timeframe and limited funds available for this activity, and the need for reliable evaluation designs that can easily incorporate

additional children's services, the existing CSAT treatment grant projects for women and children are the only projects that can effectively implement the services to be provided under this GFA. These projects have already demonstrated that they can effectively provide therapeutic services for children, and operate within well established infrastructures with knowledgeable, trained staff in addressing children's issues. They also have demonstrated solid and proven experience in the provision of services for children. Finally, these projects are required by legislation to provide comprehensive services for children of addicted women. These supplements will enhance the delivery of the statutorily-required services.

Applications will be considered for funding on the basis of their overall technical merit as determined through the peer and CSAT National Advisory Council review process.

Supplemental awards will be provided to PPW and RWC grantees to expand and/or enhance services for children of substance abusing parents. Grantees may apply for support to expand and/or enhance services for children within the scope of the current residential treatment grant, and may also apply for funds to increase the availability of child care services for women in any component of treatment under the administration of the sub-recipient treatment provider. The maximum amount of any one grant award will be \$300,000.

Authority: Supplemental awards will be made under authority of sections 508 and

510 of the Public Health Service Act, as amended (42 U.S.C. 290bb-1 and 42 U.S.C. 290bb-3, respectively.)

CONTACT: Maggie Wilmore, Center for Substance Abuse Treatment, SAMHSA, Rockwall II Building, Suite 7A-145, 5600 Fishers Lane, Rockville, Maryland 20857 (Telephone: 301 443-8216).

The Catalog of Federal Domestic Assistance (CDFA) numbers are 93.101 for the PPW Program and 93.102 for the RWC Program.

Dated: April 15, 1997.

Richard Kopanda,

Executive Officer, Substance Abuse and Mental Health Services Administration.
